*The time Schedule is effective from the date of notification of these rules.*

There are 110 ULBs in Andhra Pradesh State and among them 14 ULBs are Municipal Corporations and 96 ULBs are Class I & II municipalities. Out of which 2 No of Municipal Corporations (Vijayawada & Visakhapatnam) have more than 1.0 million population and 5 No of Municipal Corporations (Tirupati, Guntur, Kadapa, Kurnool & Nellore) are falls under 0.5 to 1.0 million population range and the rest of ULBs falls under less than 0.5 Million population strength.

As per the information furnished by the local bodies, it is estimated at about 58400 TPA of C&D Waste was generated in the State for the F.Y. 2018-19. Significant quantity of C&D Waste is generated from the above mentioned 7 Municipal Corporations in which major construction activity is being taken place.

The MA&UD Dept., has proposed 3 No of C&D Waste Processing Plants at Vijayawada (70 TPD), Visakhapatnam (80 TPD) and Tirupati (55 TPD). The Board issued a CFE to C&D Waste Processing plants and 1 facility has obtained Authorization of the Board, under Rule 7(3) of C&D Waste Management Rules, 2016. The total C&D Waste Processing capacity of these plants is at about 205 TPD. The total C&D Waste generation per day is at about 160 TPD (58400 TPA). The MA&UD Dept., is in a proposal of identifying land for C&D Waste Processing facility for Kurnool, Guntur, Nellore and Kadapa Municipal Corporations.
