TEMPORARY REVOCATION OF STOP PRODUCTION ORDER

WHEREAS you are operating a yarn / textile dyeing unit in the name and style M/s. Savanam Subba Reddy Dyeing Works, Sy.No:618/11,Bramhminas Road, Old Chirala, Chirala (V & M), Prakasam District to manufacture Dyeing & Printing of Cloth – 200 Kgs/day and generating 20,000 Ltrs/day of effluent.

WHEREAS vide reference 1st cited, the Zonal Office, Vijayawada has issued stop production order to M/s. Savanam Subba Reddy Dyeing Works, Sy.No:618/11,Bramhminas Road, Old Chirala, Chirala (V & M), Prakasam District for operating without CFO of the Board and not constructed ETP.

WHEREAS vide reference 2nd cited, the Board issued temporary revocation of stop order to the industry on 11.06.2018 for a period up to 30.09.2018 with certain directions.

WHEREAS vide reference 3rd cited, the Board received a complaint from Sri Amanchi Krishna Mohan, Hon’ble MLA, Chirala Constituency against Dyeing units which are operating without consent of the Board and discharging untreated effluents into Kunderu Drain of Chirala thereby causing pollution to water bodies.

WHEREAS vide reference 4th cited, the Officials of RO, Nellore inspected the Dyeing unit and observed the following:

a) The industry is operating since long time and has applied for CFO of the Board on 18.05.2018 and the Zonal Office reviewed the industry and directed the industry to pay balance CFO fee of Rs.2,000/- to issue CFO up to 31.05.2019. But, the industry has not paid CFO fee to the Board so far. Hence CFO not issued.

b) Product: Dyeing of Yarn & Cloth -200 Kgs/Day
c) Raw material: Cotton yarn & cloth: 200 Kgs/Day; Dyes and Chemicals :20 Kgs/Day
d) Water consumption: Process: 20 KLD, Domestic : 2.0 KLD
e) Waste water generation: Trade effluents (Process ) : 20 KLD, Domestic :0.5 KLD
f) The industry has provided Septic tank followed by soak pit for Domestic effluents.
g) The industry has not provided ETP and the untreated effluents discharging onland at the industry premises.
h) The industry has not installed any boiler & DG Set and Two nos of small country type wood fired chulha are using for heating of the cotton cloth & yarn.

WHEREAS vide reference 6th cited, legal hearing was conducted before the External Advisory Committee (Task Force) of A.P. Pollution Control Board in its meeting held on 14.06.2019. The representatives of the industries have attended the legal hearing. The Committee noted that the Board has issued temporary revocation of Stop production orders to the dyeing unit on 11.06.2018 for the period up to 30.09.2018. The untreated water discharging onland at the industry premises. It was informed that M/s. Savanam Subba Reddy Dyeing Works has not started the construction of works of ETP, not installed any boiler & DG set and untreated water
discharging onland at the industry premises. The EE, RO, Ongole has informed that dyeing unit has not submitted the Bank Guarantee of 1 Lakh. The Small unit mostly operating in their houses and they are unable to provide individual ETP as these units are tiny in nature and operating manually and no machinery is involved. The unit generates small quantities of effluents and are easily diluted when these effluents are mixed with town sewage effluents. M/s. Savanam Subba Reddy Dyeing Works has requested to give time one year for construction of ETP and pollution control measure due to financial problems.

The Committee after detailed discussions, recommended to issue Temporary Revocation of Stop Production Order upto August, 2019. The Board is hereby issues temporary revocation of stop production order upto August, 2019 with the following directions under Sec.33 (A) of Water (Prevention and Control of Pollution) Amendment Act, 1988 and under Sec.31(A) of Air (Prevention & Control of Pollution) Amendment Act, 1987:

1. The dyeing units shall operate the units only after obtaining CFO order of the Board.
2. The industry shall construct and commission the ETP within 3 months to treat the effluents to the Board’s standards (BOD – 30mg/l).
3. The dyeing units shall not discharge untreated effluents outside the industry premises.
4. The dyeing units shall not cause ground water pollution in and around the industry premises.
5. The dyeing units shall provide flow meters with totalizer facility at inlet and outlet of ETP and maintain log registers to record the wastewater generation and utilization.
6. The industry shall submit a BG for Rs.1.0 Lakh in favour of EE, RO, APCCB, Ongole for a period of one year to comply with the above directions, failing which, legal action will be initiated against the industry.

You are hereby directed to note that, should you misuse this order to operate the unit beyond the time period given to you and violate any one of the conditions mentioned above, your unit will be closed under Sec.33(A) of Water (Prevention and Control of Pollution) Amendment Act, 1988, and under Section 31(A) of Air (Prevention & Control of Pollution) Amendment Act, 1987, in the interest of Public Health and Environment and you will be also liable for prosecution in the Court of Judicial Magistrate First Class under Sec.41(2) of Water (Prevention and Control of Pollution) Amendment Act, 1988 and under Sec.37(1) of Air (Prevention and Control of Pollution) Amendment Act, 1987, the punishment for which includes imprisonment for a term which shall not be less than one year six months and which may be extended to six years and with fine.

*This Order comes into effect from today i.e. 09.07.2019.*
