Circular Memo No. 7 /APPCB/HO/CFO – UH:IV/2016 -  Date: 11.05.2016

***

The Central Pollution Control Board issued directions dated 07.03.2016 vide reference 1st cited under Sector 18(1) (b) of Water Act, 1974 regarding revised classification of industrial sectors under Red, Orange, Green and White categories. Any further addition of any new or left-over industrial sector and their categorization which is not listed in the revised list of Red, Orange, Green and White industrial sectors, shall be done at the level of concerned SPCB / PCC following revised criteria & guidelines as detailed in the attached document and no concurrence of CPCB shall normally be required.

Accordingly, a committee has been constituted at Head Office vide Proceedings cited. The committee has taken up the following issues:

1. Expansion activity if M/s. NHK Spring India Ltd, Sri city, Chittoor District.
3. Re- Categorization of Engineering industries in Sricity, Chittoor District.

Minutes of the Committee meetings held 12.04.2016 and 10.05.2016 on the above issues are herewith attached.
The committee decided the following:

1. Expansion activity of M/s. NHK Spring India Ltd, Sricity shall be considered as **Orange category**.

2. Egg trays manufacturing activity/sundried paper Board manufacturing activity shall be considered under **Green category**.

3. Processes of Automobile and Heavy Engineering industries without electro plating and heat treatment using cyanide bath, allowing other heat treatment process where no cyanide bath is required shall be considered under **Orange category**.

In view of the above, all the ROs and ZOs are directed to implement the above categorization for similar kinds of activities/industries as and when such applications of consent are received without reference to Head Office.
