Proc No. 4/APPCCB/Gen-9/CFO/HO//UH-IV/2016

****

The A. P. Pollution Control Board has decided to allow third party inspections for Environmental Compliance of certain medium risk category industries by Universities / institutions. This initiative is taken up as per the recommendations DIPP under “Ease of Doing Business” initiatives of the Central Government. The Categories of Dairy and Dairy products, Vegetable Oil Manufacturing including refinery, Food & Food processing industries including fruits and vegetable processing, Sea Food processing units & Coffee Seed processing industries are included in the third party inspections.

The Board has decided to give work order to the Head, Department of Civil Engineering, University College of Engineering, Kakinada (Autonomous), JNTU, Kakinada for third party inspections of the above category of industries located in East Godavari, West Godavari & Krishna districts.

The above industries are to be inspected by the qualified personnel of the third party i.e., Head, Department of Civil Engineering, University College of Engineering, Kakinada (Autonomous), JNTU, Kakinada to verify the compliance status with respect to standards / conditions stipulated by the Board in the consent orders issued under the Water Act, 1974 and the Air Act, 1981 and their amendments and Hazardous Waste authorizations issued under HWM rules of the Environment Protection Act, 1986. A detailed report of inspection in the enclosed format is to be submitted. List of industries under these categories presently in operation located in East Godavari, West Godavari & Krishna districts is attached. Details of consent orders, directions issued, operating status and location details of the above mentioned industries will be supplied by concerned Regional Officers of the Board.

This Work Order is valid for one year i.e., upto 31.05.2017 with following terms and conditions:

1. The Third Party i.e., Head, Department of Civil Engineering, University College of Engineering, Kakinada (Autonomous), JNTU, Kakinada shall conduct Environmental
Compliance Inspection on behalf of A.P. Pollution Control Board as provisioned under the Water (Prevention & Control of Pollution) Act, 1974 and the Air (Prevention & Control of Pollution) Act, 1981 and amendments thereof.

2. The Third Party shall collect samples of effluent at inlet and at outlet of ETP and stack emission as required for verification of compliance as per the standards / conditions stipulated in the consent orders.

3. The industries listed shall not be inspected more than once.

4. The Board shall pay the charges to the third party for Environmental Compliance Inspection as follows:

<table>
<thead>
<tr>
<th>Condition</th>
<th>Charges to be paid by Board (Excluding Service Tax as applicable)</th>
</tr>
</thead>
<tbody>
<tr>
<td>On submission of report in the attached format which includes conveyance</td>
<td>Rs. 20,000/-</td>
</tr>
<tr>
<td>charges, inspection / field visit charges, report preparation and</td>
<td></td>
</tr>
<tr>
<td>submission charges</td>
<td></td>
</tr>
<tr>
<td>Collection &amp; analysis of effluent samples for parameters pH, TSS, TDS,</td>
<td>Rs. 2,500/-</td>
</tr>
<tr>
<td>BOD Chlorides, Sulphates and COD (each sample)</td>
<td></td>
</tr>
<tr>
<td>Collection &amp; analysis of stack emissions (Particulate Matter) per stack</td>
<td>Rs. 2,500/-</td>
</tr>
</tbody>
</table>

5. The Third Party shall submit Environmental Compliance Inspection Report in the attached format by mail to ms@pcb.ap.gov.in under copy to uh1_jcee@pcb.ap.gov.in. Scanned copies of inspection report shall be submitted through the mail along with scanned copies of analysis reports and other enclosures.

6. The Board shall have right to cancel the work order with one month notice.
