The Board hereby issue Close Order under Sec.33(A) of Water (Prevention & Control of Pollution) Amendment Act, 1986 and under Sec 33(A) of all Prevention & Control of Pollution (Amendment) Act, 1986 and amending the In effect §37(1) of Air (Prevention & Control of Pollution) Act, 1974 and amending the In effect §37(1) of Water (Prevention & Control of Pollution) Act, 1974.

If you are agree with this order, you are requested to return this to the undersigned within 15 days from the date of receipt of this order. The undersigned have the power to give you notice to the Board to reverse your industry that would be received of the intended closure of the plant.

After general review, the committee recommended to issue Close Order to the industry for the following reasons:

The pollution control standards are prescribed by the Water (Prevention and Control of Pollution) Act, 1974 and under Sec. 33(A) of Air (Prevention & Control of Pollution) Amendment Act, 1986 and under Sec. 33(A) of Water (Prevention & Control of Pollution) Amendment Act, 1986.

According to the Water (Prevention & Control of Pollution) Act, 1974, the authority has power to issue the order for the closure of the plant.

Since the industrial effluents are not in accordance with the standards prescribed, the order for the closure of the plant is issued.
