REVOCAION OF CLOSURE ORDER

4. Board officials inspected the industry on 28.03.2016 under randomized risk based inspections.
5. Task Force Committee Meeting held on 02.05.2016.

WHEREAS you are operating the industry in the name and style of M/s. A.S.Bulk Drugs, Plot No.52 E & 53 H, IDA, Kondapalli (V), Ibrahimpatnam (M), Krishna District is Bulk Drug unit.

WHEREAS vide reference 1st cited, the Board issued closure order to the industry on 22.10.2014 for non-compliance of CFO conditions and Board directions.

WHEREAS vide reference 2nd cited, the Board issued temporary revocation closure order to the industry on 30.03.2015 for period upto 30.09.2015 with following directions:

a) The industry shall not manufacture un-consented products.
b) The industry shall not operate 500kg/hr Boiler for which CFE/CFO of the Board was not issued.
c) The industry shall continuously operate Force Evaporation Reactors for disposal of effluents.
d) The industry shall store process effluents in the above ground level storage tanks only.
e) The industry shall not discharge any effluents outside the premises under any circumstances.
f) The industry shall operate scrubbers regularly to contain process emissions emanated during the process.
g) The industry shall send Hazardous waste to TSDF, Dundigal regularly.
h) The industry shall store the solvent drums on concrete platform under covered shed with a provision to collect leachate / spillages in a collection pit.
i) The industry shall submit monthly progress report on above directions to Task Force, Vijayawada and Regional Office, Vijayawada.

WHEREAS vide reference 3rd cited, the Board issued Consent for Operation and Hazardous Waste Authorization order vide dt.02.07.2015 which is valid upto 31.07.2018.

WHEREAS vide reference 4th cited, the Board officials inspected the industry on 28.03.2016 under randomized risk based inspections and observed the following violations:

- The industry is not manufacturing the consented products and producing other products such as 1st stage of Otiapina drug – 500 Kgs/day and Intermediate stage and 2nd stage of Itraconazole – 100Kg/day on jobwork basis without obtaining CFE order of the Board.
- The industry is storing Effluent in HDPE tanks instead of storing in above ground level concrete tanks.
- It was observed that about 4 Tonns of FE Salts stored in the premises more than 90days which has to be disposed of to TSDF immediately.
- Industry has not provided digital flow meters for the FE system as per consent condition.
- The industry has not provided dyke walls around the storage tanks of solvents.
WHEREAS vide reference 5th cited, hearing was conducted by the Task Force Committee of A.P.Pollution Control Board on 02.05.2016 to review the status of the industry. The representatives of the industry attended the legal hearing. The Committee noted the non-compliance of the Directions / CFO conditions and the extent of water pollution caused by the industry. The representative of the industry informed that the industry is under lease with M/s. Nifty labs Pvt. Ltd. They have provided digital flow meters for the FE system. They have also informed that Web Camera system will be purchased and installed in the 2nd week of May, 2016. They have informed that they will construct acid proof concrete tanks above ground level for the storage of effluents instead of HDPE tanks by end October, 2016. The representative of the industry informed that they will not produce new products till they obtain CFE (for new product mix) CFE order of the Board and requested the Committee for revocation of closure order issued earlier.

The Committee after detailed discussions recommended to issue **revocation of closure order** with the following directions:

1. **The industry shall not manufacture un-consented products**
2. **The industry shall obtain CFE (Change of Product Mix) order of the Board with in 1 month.**
3. **The industry shall not store the effluent in HDPE tanks and shall construct acid proof concrete tanks above ground level for the storage of effluents within 6 months.**
4. **The industry shall dispose off FE Salts to TSDF immediately.**
5. **The industry shall install IP Cameras with PAN, TILT Zoom, 5x or above Focal length with night vision capability and flow meters such that effluent disposed and utilized can be visualized. The flow meter data should be transmitted online to CPCB.**
6. **The industry shall submit every three months the compliance report on above directions to Regional Office, Vijayawada.**
7. **The industry shall ensure the validity CFO of the Board and ensure continuous compliance of the conditions issued by the Board.**

The Board hereby issue **Revocation of closure orders** to the industry under Sec.31(A) of Air (Prevention and Control of Pollution) Act and under Sec.33 (A) of the Water (Prevention & Control of Pollution) Amendment Act.

M/s A.P.S.P.D.C.L., has been requested to restore power supply to M/s A.S.Bulk Drugs, Plot No.52 E & 53 H, IDA, Kondapalli (V), Ibrahimpatnam (M), Krishna District.

You are hereby directed to note that, should you violate the directions mentioned above, your unit will be closed under Sec.33(A) of Water (Prevention and Control of Pollution) Amendment Act, 1988, and under Section 31(A) of Air (Prevention & Control of Pollution) Amendment Act, 1987, in the interest of Public Health and Environment and you will be also liable for prosecution in the Court of Judicial Magistrate First Class under Sec.41(2) of Water (Prevention and Control of Pollution) Amendment Act, 1988 and under Sec.37(1) of Air (Prevention and Control of Pollution) Amendment Act, 1987, the punishment for which includes imprisonment for a term which shall not be less than one year six months and which may be extended to six years and with fine.
