DIRECTIONS

Sub: APCCB – TF - HO - M/s. Bhavya Cements Limited, Sy.No.1172, 838-82, Tangeda (V), Dachepalli (M), Guntur District – Non-compliance of Board directions and consent conditions – Legal hearing held on 03.03.2017 - Directions - Issued - Reg.

2. Board officials inspected the industry on 29.12.2016 under randomized risk based inspections.
3. External Advisory Committee (Task Force) meeting held on 03.03.2017.

WHEREAS you are operating industry in the name & style of M/s. Bhavya Cements Limited, Sy.No.1172, 838-82, Tangeda (V), Dachepalli (M), Guntur District and manufacturing of Cement - 1.4 Million TPA and Lime Stone Mining - 14,85,000 TPA.

WHEREAS vide references 1st cited, the Board issued Consent for Operation and Hazardous Waste Authorization order vide order dt. 29.12.2014 with validity period up to 31.08.2018 for manufacturing of Cement - 1.4 Million TPA and Lime Stone Mining - 14,85,000 TPA.

WHEREAS vide references 2nd cited, the Board officials inspected the industry on 29.12.2016 under randomized risk based inspections and observed the following violations:

1. The industry has not provided water meters for consumption of water and flow meter for measurement of wastewater generation and disposal.
2. The industry has not meeting the standards prescribed in the MOEF&CC notification dt.25.08.2014 for Raw mill and Rotary Klin, Cooler stack, Coal mill & Cement mill.
3. The CAAQM station provided near stores is not working.
4. The industry has not meeting the AAQ stipulated standards near Guest house.
5. Fugitive emissions were observed from the cement mill section and at the top of closed clinker stockpile where clinker is dropping from clinker cooler discharge into closed clinker stock pile.

WHEREAS vide references 3rd cited, legal hearing was conducted before the External Advisory Committee (Task Force) Meeting of A.P. Pollution Control Board on 03.03.2017. The representatives of the industry attended the legal hearing. The committee noted the non-compliance of CFO order conditions and the directions of the Board. The representative of the industry informed that they installed four water meters in the month of February, 2017, two nos at main water sump, one at colony overhead tank and one water meter installed at STP. It was informed that they have already procured 1120 nos. filter bags for Coal mill bag house, which will be replaced at the proposed kiln stoppage in the month of April’2017. It was informed that quotations for procurement of CAAQM are received and finalized within fortnight. The equipment will be procured and installed by end of August’2017. It was also informed that they will install one more bag filter with 16500 m³/hr capacity at the clinker feed transfer point in cement mill section, which will be commissioned by end of this month. Finally the management requested the committee for return of Bank Guarantees of Rs. 5 Lakh, as they have complied the most of directions issued by the Board.
The Committee after detailed discussions, recommended to issue the following directions:

1. The industry shall take necessary measures for meeting the emission standards prescribed in the MoEF&CC notification dt.25.08.2014 for Raw mill and Rotary Kiln, Cooler stack, Coal mill & Cement mill.
2. The industry shall install CAAQM station within 6 months as committed by the management.
3. The industry shall take necessary measures for improvement of ambient air quality near guest house to meet the standards prescribed by the Board.
4. The industry shall provide bag filters for control of fugitive emissions in the cement mill section and at the top of closed clinker stockpile where clinker is dropping from clinker cooler discharge into closed clinker stock pile within one month.
5. The industry shall ensure the validity CFO of the Board and ensure continuous compliance of the conditions issued by the Board.

This order is issued under Sec.33 (A) of Water (Prevention and Control of Pollution) Amendment Act, 1986 and under Sec.31 (A) of Air (Prevention & Control of Pollution) Amendment Act, 1987.

You are hereby directed to note that, should you violate any one of the directions mentioned above, action will be initiated under Sec.33(A) of Water (Prevention & Control of Pollution) Amendment Act, 1988 and Sec.31(A) of Air (Prevention & Control of Pollution) Amendment Act, 1987 without any further notice, in the interest of Public Health and Environment.

This Order comes into effect from today i.e., 28.03.2017.
