Order No.106/APPCCB/UF-II TF/VSP/20.7-Date: 24.03.2017

DIRECTIONS

Sub: APPCCB – TF - HO - M/s. Corel Organics Ltd., Plot No.35, Road No.1, JNPC, Parawada, Visakhapatnam – Non-compliance of Board directions and consent conditions – Legal hearing held on 03.03.2017 - Directions - Issued - Reg.

2. Board officials inspected the industry on 08.11.2016 under randomized risk based inspections.
3. External Advisory Committee (Task Force) meeting held on 03.03.2017.

WHEREAS you are operating industry in the name & style of M/s. Corel Organics Ltd., Plot No.35, Road No.1, JNPC, Parawada, Visakhapatnam and engaged in manufacturing of Bulk Drugs & intermediates.

WHEREAS vide references 1st cited, the Board has issued Consent for Operation and Hazardous Waste Authorization to the industry on 08.12.2016 for manufacturing of Bulk Drugs & intermediates –1383.37 Kgs/day, which is valid upto 31.12.2021.

WHEREAS vide references 2nd cited, the Board officials inspected the industry on 08.11.2016 under randomized risk based inspections and furnished observations is as follows:

1. The pH meters attached to scrubbers are observed to be non functional.
2. Even though, the industry has installed separate flow meters for boiler feed and domestic usage, log record is not being maintained.
3. The house keeping at ETP and Hazardous waste storage area is poor.
4. The industry is manufacturing certain products more than the consented capacities and intermediate products.
5. The industry stored the hazardous waste more than 90 days.
6. The industry is upgrading the air pollution control equipment with bag filters to 2 TPH coal fired boiler. The installation is under progress. The industry has informed that the installation will be completed within a period of two weeks.

WHEREAS vide references 3rd cited, legal hearing was conducted before the External Advisory Committee (Task Force) Meeting of A.P. Pollution Control Board on 03.03.2017. The representatives of the industry attended the legal hearing. The committee noted the non-compliance of CFO order conditions and the directions of the Board. The representative of the industry informed that the pH meters attached to scrubbers are rectified and now in operational. It was informed that sometimes the production of certain products are exceeding the consented capacities month wise, but may not exceed the yearly production. It was also informed that they have provided bag filters for 2 TPH coal fire boiler. They informed that they have disposed all the hazardous waste stored to TSDF, Parawada. The representative of the industry informed that they started the construction of closed shed for storage of solvent drums and raw material drums and will be completed by end of May 2017.

The Committee after detailed discussions, recommended to issue the following directions:
1. The industry shall not manufacture excess quantities of any product or intermediate more than the permitted capacities mentioned in the consent order dt.08.12.2016.

2. The industry shall store solvents, raw materials, chemicals on raised concrete platform under a shed along with dyke walls within three months.

3. The industry shall maintain the log records for all the digital flow meters existing in the premises and record the water consumption category wise.

4. The industry shall maintain good housekeeping at ETP area and hazardous waste storage area.

5. The industry shall develop greenbelt as per the consent order condition.

6. The industry shall ensure continuous compliance of the conditions issued in the CFO & HWA order dt.08.12.2016.

This order is issued under Sec.33 (A) of Water (Prevention and Control of Pollution) Amendment Act, 1988 and under Sec.31 (A) of Air (Prevention & Control of Pollution) Amendment Act, 1987.

You are hereby directed to note that, should you violate any one of the directions mentioned above, action will be initiated under Sec.33(A) of Water (Prevention & Control of Pollution) Amendment Act, 1988 and Sec.31(A) of Air (Prevention & Control of Pollution) Amendment Act, 1987 without any further notice, in the interest of Public Health and Environment.

This Order comes into effect from today i.e., 24.03.2017.
