Regd. Post with Ack Due

Order No.750/APPCB/UH-II/TF/VSP/2016-

Date: 19.12.2016

DIRECTIONS

3. The Board Officials inspected the industry on 11.08.2016 under randomized risk based inspections.
4. External Advisory Committee (Task Force) meeting held on 03.12.2016.

WHEREAS you are operating industry in the name & style of M/s. Coastal Waste Management Project, JN Pharmacy, Parawada, Visakhapatnam District operating TSDF and Incinerator facilities for safe disposal of hazardous waste generated from industries located in the State of Andhra Pradesh.

WHEREAS vide references 1st cited, the Board has issued certain directions to the facility on 25.01.2014 for non-compliance of Board directions and consent conditions.

WHEREAS vide references 2nd cited, the Board issued Consent for operation and Hazardous Waste Authorisation to M/s. Coastal Waste Management Project, JN Pharmacy, Parawada, Visakhapatnam District on 09.12.2015 to operate TSDF of the industry with necessary conditions & standards, which is valid upto 31.10.2018.

WHEREAS vide references 3rd cited, the Board officials inspected the industry on 11.08.2016 under randomized risk based inspections and observed the following violations:

- The facility has not complied closure plan (capping plan) for Phase-I and Phase-II of the existing landfill.
- The facility has not provided online monitoring system with recording facility at the outlet of TSDF for all critical parameters.
- The facility has not developed compensatory Green belt equal to existing new landfill area within the JN Pharmacy (abandoned landfill area).
- The facility has not complied closure plan (capping Plan) for Phase – I and Phase – II of the existing land fill.
- The facility has not provided proper pitching for Garland drain towards north direction of the existing landfill.
- The facility not achieved 10 meters Green belt towards north south and west direction of the existing landfill.
- The facility has not obtained de-notification order from MoEF & CC and APPCB for the old land fill (abandoned land fill).
- The facility has not submitted work order for carrying out study on contamination levels due to old land fill activity by reputed agencies like NEERI.
- The facility has not filled the Water Cess returns to the Board.

WHEREAS vide reference 4th, hearing was conducted before the External Advisory Committee (Task Force) Meeting of A.P. Pollution Control Board on 03.12.2016. The representatives of the industry attended the legal hearing. The committee noted the non-compliance of CFO order conditions and the directions of the Board. The
representative of industry informed that they have completed the laying of HDPE sheet as a part of capping works. They have installed GPS systems for all the vehicles and user name and password informed to ZO, Visakhapatnam for access of the same. They have connected continuous emission monitoring system of incinerator to CPCB website. It was also informed that they have requested to EFS&T Department of A.P Govt. for old landfill de-notification and new landfill notification. Still it is pending with EFS&T Dept. of A.P Govt. Also they have re-requested on 14.09.2016 for the notification and de-notification.

The Committee after detailed discussions, recommended to issue the following directions:

1. The facility shall cover land fill cells with tarpaulin immediately on temporary basis to avoid the seepages during the rainy season.
2. The facility shall submit the closure plan (capping plan) of the landfill (Phase-III) to the Board immediately & start the capping of landfill cells of Phase-I & II in consultation with Regional Office, Visakhapatnam.
3. The facility shall achieve 10 meters Green belt towards north, south and west direction of the existing landfill.
4. The facility shall pursue with the Govt. of AP, EFS&T department to de-notify the old landfill site and notify new land fill site at the earliest to develop the compensatory green belt equalent to new landfill area within Pharmacity area or preferably in abandoned landfill area to comply the Board directions.
5. The facility shall file the water cess returns to the Board immediately.
6. The facility shall deposit the balance amount in the ESEROW A/c. as per the directions of APPCB issued from time to time.

This order is issued under Sec.33 (A) of Water (Prevention and Control of Pollution) Amendment Act, 1988 and under Sec.31 (A) of Air (Prevention & Control of Pollution) Amendment Act, 1987.

You are hereby directed to note that, should you violate any one of the directions mentioned above, action will be initiated under Sec.33(A) of Water (Prevention & Control of Pollution) Amendment Act, 1988 and Sec.31(A) of Air (Prevention & Control of Pollution) Amendment Act, 1987 without any further notice, in the interest of Public Health and Environment.

This Order comes into effect from today i.e., 19.12.2016.
