REVOCATION OF CLOSURE ORDER

Indukurupet Bit-1 Gram Panchayat, Indukurpet Mandal, SPSR Nellore
District – Industry requested for Revocation of Closure Production Order
– Legal Hearing held on 08.08.2018 - Revocation of Closure Order –
Issued - Reg.

Ref: 1. CFO Order No.N-444/APPCB/ZO-VJA/CFO/W&AA/2016-756,
2. Closure Order No. N-444/APPCB/ZO-VJA/EAC/2016-618,
dt.02.07.2018 issued by Zonal Office, Vijayawada.
3. Industry’s request letter dt.05.07.2018 for revocation of closure order.
5. Minutes of External Advisory Committee (Task Force) Meeting held on
08.08.2018.

WHEREAS you are operating the industry in the name & style of M/s. D.S. Techno
Feeds Pvt. Ltd., Sy. No.1134/A, Indukurupet Bit-1 Gram Panchayat, Indukurpet Mandal,
SPSR Nellore District to produce Shrimp Head Meal - 100 TPM, Fish Meal – 167 TPM
& Fish Oil - 67 TPM.

WHEREAS vide reference 1st cited, the Board issued CFO to the industry on
24.06.2017 which is valid upto 30.04.2022 to produce Shrimp Head Meal - 100 TPM,
Fish Meal – 167 TPM & Fish Oil - 67 TPM.

WHEREAS the Board vide reference 2nd cited, reviewed the status of pollution control
measures taken by the industry before the External Advisory Committee (Task Force)
Meeting on 28.06.2018 and issued closure order to the industry on 02.07.2018 for non-
compliance of Consent conditions.

WHEREAS vide reference 3rd cited, the industry submitted request letter
dt.05.07.2018 to RO, Nellore for revocation of closure orders stating that they had
completed the pending works of Bio-filters and ETP and installed two reactors of 7
KLD & 3 KLD for forced evaporation system to meet ZLD and further it was stated they
had already taken a land at new location with Sy No.529-1, Allampadu Revenue Village,
Maripaddu Village & Mandal, SPSR Nellore District at a distance of about 2kms and they
need 6 months time for construction & erection purposes.

WHEREAS vide reference 4th cited, the officials of RO, Nellore has inspected the
industry and surroundings on 09.07.2018 and reported the following compliance on
directions issued earlier:

1. The ETP consist of collection tank, Grit Chamber, Oil separation tank, Aeration tank,
Primary & Secondary Clarifier, Multi grade filter, Sludge drying beds for treating
the waste water generated during the process. Now, the industry has provided another
tank in which washing water of vehicles is collected and the industry installed two
reactors of 7 KLD and one reactor of 3 KLD to treat the waste water through Forced
evaporation to meet ZLD.
2. The industry has provided bag filters to grinding machine to control the fugitive emissions generated during the process of grinding.

3. The industry has provided single cyclone to the 3.0 TPH boiler as APCE to control air pollution. The industry has rectified the defects in bio-filter system to control odour nuisance emanated from the process.

4. There is no storage of raw material observed in the premises of industry. The industry representative informed that they are procuring the raw material as per their requirement to avoid storage and hence, they have not provided Air conditioned storage room to store raw materials as stipulated in CFO order of the Board.

WHEREAS legal hearing was conducted before the External Advisory Committee (Task Force) of A.P. Pollution Control Board on 08.08.2018. The representative of the industry attended the legal hearing. The Committee noted that the Zonal Office, Vijayawada has issued closure order to the industry on 02.07.2018 for non-compliance of consent conditions and complaints received from residents of Ravuru village as the industry is discharging trade effluents into nearby irrigation canal resulting water pollution and odour nuisance etc. The representative of the industry informed that they completed ETP works and installed FE system to meet ZLD. It was informed that they proposed to shift to new location at Sy.No.529-1, Allampadu Revenue Village, Maripadu Village & Mandal, Nellore district. Further, the representative of the industry requested the Board for revocation of closure order for period 6 months, as they proposed to relocate the industry. The EE, RO, Nellore has informed that the industry is not operating during the inspection and the industry has constructed Effluent Treatment Plant, Forced Evaporation system and air pollution control equipments. Further, the industry has rectified the defects in bio-filter system to control odour nuisance.

After detailed review the committee recommended to issue revocation of closure order for period of 6 months with the certain directions and not to consider any extensions of revocation of closure order for this location after six months. The Board is hereby issue the following directions under Sec.33 (A) of Water (Prevention and Control of Pollution) Amendment Act, 1988 and under Sec.31 (A) of Air (Prevention & Control of Pollution) Amendment Act, 1987:

1. The industry shall continuously operate Effluent Treatment Plant and Forced Evaporation system to meet the ZLD & shall dispose ETP sludge, evaporated salts in safe manner and maintain the log registers.

2. The industry shall maintain all the air pollution control systems intact, always in good condition and shall ensure that the emissions are within the norms specified in the CFO order.

3. The industry shall not discharge any effluents outside the industry premises under any circumstances.

4. The industry shall take all required measures to mitigate odour nuisance in the surrounding environment.

5. The industry shall maintain thick green belt all along the periphery in the industry premises.

6. The industry shall relocate from the existing premises duly obtaining required clearances to Sy.No.529-1, Allampadu Revenue Village, Maripadu Village & Mandal, Nellore district within 6 months and extension of revocation of closure order at present location will not be considered after six months.

7. The industry shall ensure continuous compliance of the conditions stipulated in the CFO & HWA order obtained from the Board.

You are hereby directed to note that, should you misuse this order and violate any one of the conditions mentioned above, your unit will be closed under Sec.33(A) of Water (Prevention and Control of Pollution) Amendment Act, 1988, and under Section 31(A) of Air (Prevention & Control of Pollution) Amendment Act, 1987, in the interest of Public Health and Environment and you will be also liable for prosecution in the Court of Judicial Magistrate First Class under Sec.41(2) of Water (Prevention and Control of Pollution) Amendment Act, 1988 and under Sec.37(1) of Air (Prevention and Control of Pollution) Amendment Act, 1987, the punishment for which includes imprisonment for a term which shall not be less than one year six months and which may be extended to six years and with fine.
This Order comes into effect from today i.e., 11.09.2018.
