2. The industry stored many chemical containing drums on open ground in the factory premises.
3. Disposal of organic hazardous waste is not reported.
4. The industry not provided two stage scrubber for process emissions.
5. Domestic water meter is not working.
6. The industry provided flow meter at MEE feed and camera, which are yet to be connected to CPCB website.

WHEREAS vide references 3rd cited, legal hearing was conducted before the External Advisory Committee (Task Force) Meeting of A.P. Pollution Control Board on 03.03.2017. The representatives of the industry attended the legal hearing. The committee noted the non-compliance of CFO order conditions and the directions of the Board. The representative of the industry informed they will apply for CFE & CFO order of Board for new products. It was informed that they will provide double stage scrubber for process emissions by the end of May’2017. They procured water meters and installation will be completed by the end of month. It was also informed that they have provided flow meter at MEE feed. They have provided web camera, which is yet to connect to CPCB website. They informed that all organic hazardous waste is being disposed to TSDF regularly.

The Committee after detailed discussions, recommended to issue the following directions:

1. The industry shall obtain CFE & CFO order of the Board for new products as required under 25/26 of Water Act and 21/22 of Air Act immediately.
2. The industry shall provide two stage scrubber for process emissions within 3 months.
3. The industry shall provide water meter for recording domestic water consumption within 15 days.
4. The industry shall store chemical containing drums (Solvents, raw materials, hazardous waste) on a raised concrete platform along with leachate collection system under a shed within one month.
5. The industry shall make necessary arrangements connect web camera to CPCB website within one month.
6. The industry shall ensure continuous compliance of the conditions issued in the CFO & HWA order.

This order is issued under Sec.33 (A) of Water (Prevention and Control of Pollution) Amendment Act, 1988 and under Sec.31 (A) of Air (Prevention & Control of Pollution) Amendment Act, 1987.

You are hereby directed to note that, should you violate any one of the directions mentioned above, action will be initiated under Sec.33(A) of Water (Prevention & Control of Pollution) Amendment Act, 1988 and Sec.31(A) of Air (Prevention & Control of Pollution) Amendment Act, 1987 without any further notice, in the interest of Public Health and Environment.

This Order comes into effect from today i.e., 24.03.2017.
