Order No.411/APPCCB/UH-II/TF/TPT/2018- 

Dt.31.05.2018.

TEMPORARY REVOCATION OF STOP PRODUCTION ORDER

Sub: APPCB - UH-II - TF - M/s. Hayath Foods, Cherlapalli (V), Tirupati-Bangalore By-pass Road, Chittoor District - Industry requested for Revocation of Stop Production Order after partial compliance - Temporary Revocation of Stop Production Order - Issued - Reg.

5. Note approved by Member Secretary on 28.05.2018.

WHEREAS you are operating the industry in the name & style of M/s. Hayath Foods, Cherlapalli (V), Tirupati-Bangalore By-pass Road, Chittoor District and engaged in producing Aseptic Fruit Pulp - 60 TPD.

WHEREAS the Zonal Office, Kurnool in the reference 1st cited, has issued stop production order to the industry on 11.08.2017 for not operating of ETP, storing untreated effluents / treated effluents in unlined lagoons and thereby causing water pollution in the surrounding area.

WHEREAS the Board in the reference 1st cited issued Consent for Operation (CFO) to your industry to produce Aseptic Fruit Pulp of 60 TPD with a validity period upto 31.12.2022 duly stipulating certain conditions.

WHEREAS vide reference 3rd cited, the industry requested the Board to revoke the stop production order Dt: 04.05.2018 as they have upgraded ETP and they will provide lined platform with leachate collection system for drying stone & peels.

WHEREAS the RO officials, Tirupati inspected the unit on 21.04.2018 vide reference 4th cited and submitted the report as follows:

1. It was observed that the industry is not in operation due to off-season. Industry proposed to upgrade existing ETP with additional facilities like automatic solid removing system, new aeration tanks, MBBR and sand filter, activated carbon filter for improving the efficiency of the existing ETP.

2. The industry has not constructed lined platform with leachate collection system for drying mango stones and peels. The industry representative informed that they have taken land on lease basis near to the industry for drying of seeds and peels.

3. However, industry has provided separate energy meter for ETP.

4. The industry has procured two flow meters to provide at the inlet of ETP and outlet of ETP after erection of the plant and machinery of the ETP.

5. Industry has developed greenbelt in an area of about 2 Acres of land in the premises and Industry proposed to develop greenbelt in an area of about 4 acres (own land) in consultation of Forest department in the coming monsoon season.

In view of the facts mentioned above, the Board hereby issue Temporary Revocation of Stop Production order for period one year with the following directions under Sec.33 (A) of Water (Prevention and Control of Pollution) Amendment Act, 1988 and under Sec.31 (A) of Air (Prevention & Control of Pollution) Amendment Act, 1987:
1. The industry shall operate the ETP continuously to ensure compliance of prescribed discharge standards and shall not discharge any treated/untreated effluent outside the premises under any circumstances.

2. The industry shall maintain record the fresh water consumption and shall furnish the consolidated water consumption to EE, RO, Tirupati.

3. The industry shall utilize the treated effluent in their ownland for onland irrigation/greenbelt development.

4. The industry shall continuously operate the air pollution control equipment attached to coal fired boiler of 2.0 TPH capacity to comply with prescribed emission standards.

5. The industry shall immediately obtain CFE/CFO order of the Board for 1x4 Ton wood fired Boiler.

6. The industry shall construct covered shed for storage of dried seeds and peels within one month.

7. The industry shall construct lined platform with leachate collection system for drying mango stones and peels. The leachate collected near seeds / peels drying area shall be taken to ETP for further treatment.

8. The industry shall develop the thick green belt all along the periphery within the plant premises in the ensuing monsoon season.

9. The industry shall ensure continuous compliance of the conditions stipulated in the CFO & HWA order obtained from the Board.

You are hereby directed to note that, should you misuse this order to operate the unit beyond the time period given to you and violate any one of the conditions mentioned above, your unit will be closed under Sec.33 (A) of Water (Prevention and Control of Pollution) Amendment Act, 1988, and under Section 31 (A) of Air (Prevention & Control of Pollution) Amendment Act, 1987, in the interest of Public Health and Environment and you will be also liable for prosecution in the Court of Judicial Magistrate First Class under Sec.41 (2) of Water (Prevention and Control of Pollution) Amendment Act, 1988 and under Sec.37(1) of Air (Prevention and Control of Pollution) Amendment Act. 1987, the punishment for which includes imprisonment for a term which shall not be less than one year six months and which may be extended to six years and with fine.

This Order comes into effect from today i.e., 31.05.2018.
