ANDHRA PRADESH POLLUTION CONTROL BOARD
PARYAVARAN BHAVAN, A-3, INDUSTRIAL ESTATE,
SANATHNAGAR, HYDERABAD - 500 018.

Regd. Post With Ack Due
Order No.613/APPCB/UH-II/TF/KKD/2016- Dt. 30.01.2017

DIRECTIONS

Ref:
4. Board officials inspected the industry on 16.09.2016 under randomized risk based inspections.

WHEREAS you are operating a Paper manufacturing industry in the name & style of M/s. International Paper APPM Ltd., (Unit-CP), M.R.Palem (V), Kadiyam (M), East Godavari District.

WHEREAS vide reference 1st cited, the Board issued certain directions to the industry on 28.02.2014 for non-compliance of Board directions and CFO order conditions and violations.

WHEREAS vide reference 2nd cited, the Board issued Consent for operation and Hazardous Waste Authorisation Order on 19.05.2016 to manufacture Writing, Printing Duplicating paper, packaging paper, Writing & Printing including news print & Coating base paper – 257 TPD, which is valid upto 28.02.2021.

WHEREAS vide reference 3rd cited, the Board has reviewed the industry before the External Advisory Committee (Task Force) meeting held on 04.06.2016 and issued certain directions to the industry on 21.06.2016 for non-compliance of Board directions and CFO conditions.

WHEREAS vide reference 4th cited, the Board Officials inspected the industry on 16.09.2016 under randomized risk based inspections and observed the following violations:

1. The industry has not stored raw effluent in lined collection tank as per CFO order condition.
2. The industry has not submitted an action plan for removal of colour in due consultation with CPPRI as committed by the management.
3. The industry has not provided magnetic flow meter with totalizer to quantify treated effluents discharged into Kadiyam Ava drain and quantity of effluents given to farmers.
4. The industry has not provided additional shed for storage of excess coal stored outside the sheds.
5. The industry has not disposed 4000 tons of ETP sludge dumped at remote area behind Northern side of the industry compound wall.
6. The industry has not provided separate storm water drains for collection of storm water. At present, both storm water and effluents are being collected in one drain.
7. The industry has to dispose 150 Tons of plastic waste which is being stored in the scrap yard.

WHEREAS vide reference 5th cited, legal hearing was conducted before the External Advisory Committee (Task Force) Meeting of A.P. Pollution Control Board on 30.12.2016. The representatives of the industry attended the legal hearing. The committee noted the non-compliance of CFO order conditions and the directions of the Board. The representative of industry informed that fly ash dispose to M/s. Amarnath agency for collection, Transportation & supply to the various brick manufacturing industries for their beneficial use. Disposal records are being maintained. They have constructed impervious RCC tank with an investment of Rs.15 Lakhs for the storage of raw effluents. The committee instructed the management to submit a justification for disposal of fly ash to outside agency and construction of RCC tank for effluent storage. It was informed that they constructed coal storage sheds with a capacity to
accommodate 8000 MT, which is sufficient for 40 days consumption of mill operations. In month of March they have received excess coal which was stored outside the sheds. The industry informed that will not be repeated in the future.

The Committee after detailed discussions, recommended to issue the following directions:

1. **The industry shall submit the justification for disposing of fly ash to outside agency instead of brick manufacturers and construction of RCC tank for storage of raw effluents.**
2. **The industry shall submit an action plan for removal of color in due consultation with CPPRI.**
3. **The industry shall provide magnetic flow meter with totalizer to quantify treated effluents discharged into Kadiyam Ava drain and quantity of effluents given to farmers.**
4. **The industry shall not store coal on the open lands outside the sheds.**
5. **The industry shall dispose off 4000 tons of ETP sludge dumped at remote area behind Northern side of the industry compound wall.**
6. **The industry shall provide separate storm water drains for collection of storm water.**
7. **The industry shall dispose off 150 Tons of plastic waste which is being stored in the scrap yard to the authorized agencies.**
8. **The industry shall comply all directions issued by the Board vide order dt. 21.06.2016.**
9. **The facility shall ensure the continuous compliance of CFO & HW Authorization conditions issued by the Board.**

This order is issued under Sec.33(A) of Water (Prevention and Control of Pollution) Amendment Act, 1988 and under Sec.31(A) of Air (Prevention & Control of Pollution) Amendment Act, 1987.

You are hereby directed to note that, should you violate any one of the directions mentioned above, your unit will be closed under Sec.33(A) of Water (Prevention & Control of Pollution) Amendment Act, 1988 and Sec.31(A) of Air (Prevention & Control of Pollution) Amendment Act, 1987 without any further notice, in the interest of Public Health and Environment.

This Order comes into effect from today i.e., **30.01.2017.**
