TEMPORARY REVOCATION OF STOP PRODUCTION ORDER

2. Industry’s request letter dt.09.05.2018.
5. Note approved by Member Secretary on 28.05.2018.

WHEREAS you are operating the industry in the name & style of M/s. Navya Foods Pvt Ltd, Mudigolam (V), Irala (M), Chittoor District and engaged in producing Mango & Guava Pulp - 150 TPD.

WHEREAS the Zonal Office, Kurnool vide reference 1st cited, has issued stop production order to the industry on 11.08.2017 for not operating of ETP, storing untreated effluents / treated effluents in unlined lagoons and thereby causing water pollution in the surrounding area.

WHEREAS vide reference 2nd cited, the industry requested the Board to revoke the stop production order Dt: 09.05.2018 as they have upgraded ETP and they will provide lined platform with leachate collection system for drying stone & peels.

WHEREAS the Board in the reference 3rd cited issued Consent for Operation (CFO) to your industry on 19.05.2018 to produce Mango & Guava Pulp - 150 TPD with a validity period upto 30.04.2019 duly stipulating certain conditions.

WHEREAS the RO officials, Tirupati inspected the unit on 11.05.2018 vide reference 4th cited and submitted the report as follows:

1. It was observed that the industry is not operating ETP due to off-Season. The ETP inlet & outlet samples will be collected in the coming season (June-2018) and will be submitted for analysis to Zonal Lab, Kurnool. However, the industry has upgraded the existing ETP 120 KLD to 200 KLD by adding screw solid mass separator, new aeration tank with addition capacity of 80 KLD, additional sludge tank-18 KLD, Moving 3ed Bio Film Reactor (MBBR) to aeration tank.
2. The industry has not constructed concrete platform with leachate collection system for drying of seeds & peels and the proponent informed that they will provide tarpaulin for drying of seeds.
3. The industry has provided separate energy meter for effluent treatment plant.
4. It was observed that the industry is not operating ETP due to off-Season. However, the industry closed the unlined lagoon with mud filling.
5. It was observed that the industry has planted saplings an area of about 500 No.s and also acquired additional land 10 acres on lease basis for a period of 99 years for utilizing the treated water on land for irrigation in addition to the existing land of 25 acres.

In view of the facts mentioned above, the Board hereby issue TEMPORARY REVOCATION OF STOP PRODUCTION ORDER FOR PERIOD ONE YEAR with the following directions under Sec.33 (A) of Water (Prevention and Control of Pollution) Amendment Act, 1988 and under Sec.31 (A) of Air (Prevention & Control of Pollution) Amendment Act, 1987:
1. The industry shall operate the ETP continuously to ensure compliance of prescribed discharge standards and shall not discharge any treated/untreated effluent outside the premises under any circumstances.

2. The industry shall maintain record the fresh water consumption and shall furnish the consolidated water consumption to EE, RO, Tirupati.

3. The industry shall utilize the treated effluent in their ownland for onland irrigation/greenbelt development.

4. The industry shall continuously operate the air pollution control equipment attached to boiler of 2.0 TPH & 5 TPH capacity to comply with prescribed emission standards.

5. The industry shall construct covered shed for storage of dried seeds and peels within one month.

6. The industry shall construct lined platform with leachate collection system for drying mango stones and peels. The leachate collected near seeds / peels drying area shall be taken to ETP for further treatment.

7. The industry shall develop the thick green belt all along the periphery within the plant premises in the ensuing monsoon season.

8. The industry shall ensure continuous compliance of the conditions stipulated in the CFO & HWA order obtained from the Board.

You are hereby directed to note that, should you misuse this order to operate the unit beyond the time period given to you and violate any one of the conditions mentioned above, your unit will be closed under Sec.33 (A) of Water (Prevention and Control of Pollution) Amendment Act, 1988, and under Section 31 (A) of Air (Prevention & Control of Pollution) Amendment Act, 1987, in the Interest of Public Health and Environment and you will be also liable for prosecution in the Court of Judicial Magistrate First Class under Sec.41 (2) of Water (Prevention and Control of Pollution) Amendment Act, 1988 and under Sec.37(1) of Air (Prevention and Control of Pollution) Amendment Act, 1987, the punishment for which includes imprisonment for a term which shall not be less than one year six months and which may be extended to six years and with fine.

This Order comes into effect from today i.e., 31.05.2018.
