WHEREAS - KG by-law No 170 of 2004 issued,
held on 05.02.2018 and issued directions to the industry on 26.02.2018 for non-compliance of Board directions and Consenconditions.

WHEREAS vide reference 6th cited, the officials of RO, Tirupati have inspected the industry on 06.07.2018 and observed the following violations:

1. The industry has applied for CFO renewal on 21.08.2017 and the same was rejected by ZO, Kurnool. The proponent of the industry inform that they will apply for again CFO of the Board within a week days.
2. The industry has not started any efforts for upgrading the existing ETP, installation of MEE and RO Plant to meet ZLD.
3. At present the industry is disposing the untreated effluents to CETP, Nagari.
4. The industry has not provided any Air Pollution Control Equipment to the 1x1.5 TPH Boiler.
5. The industry has not installed water meters to assess the quantity of water used for process, washings, boiler feed and domestic purpose.
6. The industry is not maintaining records for quantity of raw material consumption & water consumption, waste water generation and quantity of waste water treated and disposed. At present the industry is partially treating the untreated effluents in the existing ETP and disposing effluents to CETP, Nagari.
7. The industry has not provided flow meters at the inlet of ETP and outlet of ETP to assess the quantity of wastewater generated, treated and disposed to CETP, Nagari operated by Nagari Municipality.
8. The industry has not provided separate energy meter to the ETP.
9. During inspection, it was observed that industry is using wood has fuel in the boiler.
10. The industry has submitted Bank Guarantee of Rs. 1.5 Lakhs to the Regional office, Tirupati.

WHEREAS legal hearing was conducted before the External Advisory Committee (TF) of A.P. Pollution Control Board in its meeting on 08.08.2018. The representative of industry attended the legal hearing. The Committee noted that the industry has not upgraded the Effluent Treatment Systems and disposing effluents to CETP, Nagari. The committee also noted that the Hon'ble Supreme Court of India in W.P.No.375 of 2012 has given directions that the industries shall operate with CFO order of the Board and shall have operational effluent treatment systems. The Committee was also observed that the unit is operating without obtaining CFO order of the Board. The representative of the industry has informed that they have applied for CFO order of the Board, which was rejected by ZO, Kurnool. It was stated that they have commenced their civil construction works of ETP and it will be completed by end of October, 2018. The dyeing units requested for three months time to establish treatment systems and comply with the directions issued by the Board. The EE, RO, Tirupathi has informed that the industry has applied for auto renewal of CFO order but it was rejected by the Board as existing Effluent Treatment Systems are not adequate to meet the prescribed discharge standards. Further, it was informed that the industry commenced their construction work for upgrading the existing ETP and installation of forced evaporation systems to meet ZLD system. And also stated that the industry has not installed separate energy meters to ETP, not maintaining records with record to waste water generation and disposal facilities. The industry is partially treating the effluents in the existing ETP and disposing effluents to CETP, Nagari. The industry is not disposed the ETP sludge to TSDF, Parawada, Visakhapatnam.

After detailed review the committee recommended to issue the directions. The Board is hereby issue the following directions under Sec.33 (A) of Water (Prevention and Control of Pollution) Amendment Act, 1988 and under Sec.31 (A) of Air (Prevention & Control of Pollution) Amendment Act, 1987:

1. The industry shall obtain valid CFO of the Board immediately as required U/S 25/26 of Water Act & U/S 21/22 of air Act.
2. The industry shall upgrade the existing ETP to meet the ZLD system within 3 months. The details of ETP upgradation and implementation progress shall be reported to ZO, Kurnool and RO, Tirupati for every fortnight.
To be issued by the Joint Chief Environmental Engineer, Kumberal Everyday, the ZO, Kumberal, every month, the
compliance of above directions and within action taken report periodically
