ANDHRA PRADESH POLLUTION CONTROL BOARD  
Date: 16.03.2018  
Rapid Post with Ack Due  
Order No.217/APCB/BU/HT/IT/C/2016

Whereas you are operating industry in the name & style of M/s. Pany Surya Refinery India Pvt. Ltd., (Formerly M/s. Silkroad Sugars Pvt. Ltd.) Beach Road, Vaklapallu, Suryapet, Karimnagar District - engaged in manufacturing of Refined Sugar - 3000 TPD and Electricity - 10 MW.

Whereas, the Board vide reference 1st cited, has issued Consents for Operation & Hazardous Waste Authorization order to the industry vide order dated 22.12.2017 with validity up to 31.01.2019 in manufacturing of Refined Sugar - 3000 TPD and Electricity - 10 MW.

Whereas, the Board vide reference 2nd cited, has issued certain directions to the industry on 04.09.2017 for non-compliance of consent conditions.

Whereas, the Board vide reference 3rd cited, the Board received a complaint through District Collector on 06.11.2017 filed by Srikakulam, Vaklapallu, Suryapet, Karimnagar District regarding discharge of wastewater through storm water drain during night time. Discharge of sludge along with water is causing water pollution to the nearby stream existing just beside the industry boundary and thereby decreasing availability of fish in the creek, effecting the livelihood of fishermen community.

Whereas the Board vide reference 4th cited, the EE, Ro, Karimnagar have inspected the industry on 04.11.2017 and observed that huge quantity of sludge is generated in the drier, unit. The unit has not been maintaining books pertaining to process sludge generation. Sludge dried in Drier and its disposal: Housekeeping in the sludge handling area and ETP, and it is observed that no discharge of untreated effluent from the drier to the ETP.

Whereas the Board vide reference 5th cited, the EE, Ro, Karimnagar has issued Show Cause Notice to the industry on 10.11.2017 for discharging of wastewater through storm water drain during night time.

Whereas the Board vide reference 6th cited, the EE, Ro, Karimnagar has issued Show Cause Notice to the industry on 10.11.2017 for non-compliance of Board directions.

Ref:  2. Order No.127/APCB/BU/HT/IT/C/2016

2. Order No.127/APCB/BU/HT/IT/C/2016

2. Order No.127/APCB/BU/HT/IT/C/2016

2. Order No.127/APCB/BU/HT/IT/C/2016
WHEREAS federal and state laws are not regularly enforcing the safe or proper disposal of the metal, plastic, and other materials contained in coal ash ponds, therefore the regulations favorable to the industry are regularly being neglected.

The industry should be required to remove sludge deposits from the coal ash ponds, thereby lowering the cost of electricity. The amount of coal ash generated by the industry should not exceed that of the previous year. The industry should not be allowed to continue operating past a certain amount of coal ash.
