Order No.125/APPCB/UH-II/TF/KNL/2015- 

REVOCA TION OF CLOSURE ORDER

Ref: 1. CFO order No.287/APPCB/ZO-KNL/CFO/2014 – 502, Dt.04.08.2014.
2. Fire accident occurred on 08.10.2016 at about 2:00PM.
5. Closure order no.125/APPCB/UH-II/TF/KNL/2015, dt.05.11.2016.
7. RO officials, Kurnool inspected the industry on 14.06.2017.
8. External Advisory Committee (Task Force ) meeting is held on 07.07.2017.

Whereas you are operating the industry in the name and style of M/s. Shivtek Industries Private Ltd (Unit-II) located at Sy.No.62-A, Gondiparla(V), Kurnool District to produce Chlorinated Paraffin Plasticizer – 50 MT/day and by products of Hydro Chloric Acid (HCL) – 100 MT/day.

Whereas vide reference 1st cited the Board issued Consent for Operation to the industry, with a validity upto 31.11.2016. In the CFO order it was stipulated that, the industry shall take all precautions to control the discharge of effluents, emissions and odour to the surroundings.

Whereas vide reference 2nd cited, a fire accident was occurred on 08.10.2016 at about 2:00 PM in the industry resulted in release of effluents, emissions and odour into the surroundings.

Whereas vide reference 3rd cited, the EE, RO, Kurnool inspected the industry and surrounding area on 08.10.2016 & 10.10.2016 and submit inspection report on 10.10.2016.

Whereas vide reference 4th cited, the EE, RO, Kurnool has issued show cause notice to the industry on 10.10.2016 for fire accident occurred on 08.10.2016 through e-mail.

Whereas vide reference 5th cited, the Board was reviewed the industry before External Advisory Committee (Task Force) meeting held on 21.10.2016 and committee recommended to issue closure order. Accordingly, the Board has issued closure order to the industry on 05.11.2016 with following reasons:

a) The industry has not taken any steps to bring down the emission / discharges to the prescribed standards.
b) The industry has not taken adequate safety measures and also not educated the workers and nearby public of possible accidents and remedial measures.
c) The industry has not disposed the waste water containing paraffin oil generated during fire fighting operation and formed cess pools near M/s.SRHHL.

Whereas vide reference 6th cited, the industry has requested the Board vide letter dt.08.06.2017 for restoration of power supply (20 KW) to construct and restore the plant as the connection has been disconnected by the APSO/DCL as per the Board’s directions.

Whereas vide reference 7th cited, the Officials of Regional Office, Kurnool has inspected the industry on 14.06.2017 and submitted the inspection report to Zonal office, Kurnool. The Zonal Office, Kurnool has forwarded the inspection report is as follows:

1. At present the power supply to the industry was disconnected by APSEB and the unit was not in operation.
2. The request of industry for release of 20 KW power supply for under taking the re-construction and repair works may be considered.

Whereas vide reference 8th cited, hearing was conducted before the External Advisory Committee (Task Force) Meeting of A.P. Pollution Control Board on 07.07.2017. The representatives of the industry attended the legal hearing. The Committee noted that the Board has issued closure order to the industry on 05.11.2017 for not implemented adequate safety measures and not taken any steps to bring down the emission/discharges to the prescribed standards. The representative of the industry informed that the waste water has been neutralized with active help from Sree Rayalaseema Alkalies and Allied Chemics Ltd., Kurnool uplo satisfaction of M/s Sree Rayalaseema High Strength Hypo Limited. The waste water was treated with lime and oil was soaked through activated carbon and no flow was allowed to downstream including River Tungabhadra. The representative of the industry requested to restore the power supply for re-installation of pollution control equipments & re-commissioning will be done after applying for consent for operation.

The Committee after detailed discussions, recommended to issue the revocation of closure order to use the power supply only for re-installation of pollution control equipments and not use for production activity with certain directions. The Board hereby issue the following directions under Sec.33 (A) of Water (Prevention and Control of Pollution) Amendment Act, 1988 and under Sec.31(A) of Air (Prevention & Control of Pollution) Amendment Act, 1987:

1. The industry shall use the power supply for re-installation of pollution control equipments only and not use for production activity.
2. The industry shall apply for Consent for Operation of Board after rectification of pollution control equipments and shall ensure compliance of prescribed emission and discharge standards during operational phase.
3. The industry shall obtain all the permissions from state Government and Central Government as whatever required before re-commission of the plant.
4. The industry shall re-commission the plant only after Consent for Operation is obtained from the Board as per the commitment of the industry vide letter dt.04.07.2017.

M/s A.P.S.P.D.C.L., has been requested to restore power supply to M/s. Shivtek Industries Private Ltd (Unit-II) located at Sy.No.62-A, Gondiparia (V), Kurnool District.

This Order is issued under Sec. 33(A) of the Water (Prevention & Control of Pollution) Amendment Act, 1988 and under Sec. 31(A) of the Air (Prevention & Control of Pollution) Amendment Act, 1987.

You are hereby directed to note that, should you violate any one of the conditions mentioned above, your unit will be closed under Sec. 33(A) of the Water (Prevention & Control of Pollution) Amendment Act, 1988 and under Sec.31 (A) of Air (Prevention and Control of Pollution) Amendment Act, 1987 without any further notice, in the interest of Public Health and Environment.

This Order comes into effect from today i.e., 04.08.2017.
