requested for Revocation of Stop Production Order after partial compliance –
Revocation of Stop Production Order – Issued - Reg.

upto 31.08.2018.
2. Public Notice issued by the Board in Eenadu Daily & The Hindu on
4. Stop production Order No. CTR-411/APPCB/ZO-KNL/TPT/2017-
Dt.11.08.2017.
7. Note approved by Member Secretary on 05.01.2018.

WHEREAS you are operating the industry in the name & style of M/s Sree Sannidhi Foods Pvt.,
Ltd., Petapalli (V), Kammaguttapalli Gram Panchayath, Puthalapattu (M), Chittoor Dist and
engaged in producing Aseptic Fruit Pulp – 280 TPD.

WHEREAS the Board in the reference 1st cited issued Consent for Operation (CFO) to your
industry to produce Aseptic Fruit Pulp of 280 TPD with a validity period upto 31.08.2018 duly
stipulating certain conditions.

WHEREAS the Board vide reference 2nd cited, issued public notice in Eenadu Daily & The
Hindu on 04.04.2017 explaining the contents of the Hon’ble Supreme Court of India orders in
W.P No.375/2012 with relevant extracts of the said order and requested all the concerned
industrial unit(s)/Activities to take necessary steps forth with to comply with judgment of the
Hon’ble Supreme Court of India. It is also notified by the Board that if any industrial unit/ activity
is found not having effluent treatment plant or ETPs which are not fully functional to achieve the
prescribed standards, the same will be restrained from carrying any further industrial activity.

WHEREAS the Member Secretary, APPCB vide reference 3rd cited, directed the Zonal officers
of APPCB to restrain the defaulting industries from any further industrial activity after

WHEREAS vide reference 4th cited, the Zonal Office, Kurnool issued stop production order to
industry on 11.08.2017 for not operating of ETP, storing untreated effluents / treated effluents in
unlined lagoons and thereby causing water pollution in the surrounding area.

WHEREAS vide reference 5th cited, the industry requested the Board on 28.11.2017 to revoke
the stop production order as they have upgraded ETP and provided bag filters for the 6 TPH
boiler.

WHEREAS the RO officials, Tirupati inspected the unit on 29.12.2017 vide reference 6th cited
and submitted the report as follows:

1. It was observed that the industry is not operating ETP due to off-Season.
2. The industry has provided concrete platform with leachate collection system of size (17.5
Mtrs x 20 Mtrs) for drying of seeds & peels. After drying, the seeds will be used as fuel
in the 6 TPH Boiler.
3. The industry has provided separate energy meter for effluent treatment plant.
4. It was observed that the industry has provided HDPE lining for the unlined lagoon
located in the industry premises for storing the treating effluents during the season.
5. It was observed that the industry has planted saplings in an area of about 5 acres out of the total area 17.16 acres and proposed to use treated water for the 5 acres of land in the coming season.
6. The industry has provided bag filter as Air pollution control equipment for their 6 TPH Boiler.

In view of the facts mentioned above, the Board hereby issue Revocation of Stop Production order with the following directions under Sec.33 (A) of Water (Prevention and Control of Pollution) Amendment Act, 1988 and under Sec.31 (A) of Air (Prevention & Control of Pollution) Amendment Act, 1987:

1. The industry shall operate the ETP continuously to ensure compliance of prescribed discharge standards and shall not discharge any treated/untreated effluent outside the premises under any circumstances.
2. The industry shall install flow meters with totalizer to record the fresh water consumption and shall furnish the consolidated water consumption to EE, RO, Tirupati.
3. The industry shall utilize the treated effluent in their ownland for onland irrigation/greenbelt development.
4. The industry shall continuously operate the air pollution control equipment attached to boiler of 4.5 TPH & 6.0 TPH capacity to comply with prescribed emission standards.
5. The industry shall construct covered shed for storage of dried seeds and peels within one month.
6. The leachate collected near seeds / peels drying area shall be taken to ETP for further treatment.
7. The industry shall develop the thick green belt all along the periphery within the plant premises in the ensuing monsoon season.
8. The industry shall ensure continuous compliance of the conditions stipulated in the CFO & HWA order obtained from the Board.

You are hereby directed to note that, should you misuse this order to operate the unit beyond the time period given to you and violate any one of the conditions mentioned above, your unit will be closed under Sec.33 (A) of Water (Prevention and Control of Pollution) Amendment Act, 1988, and under Section 31 (A) of Air (Prevention & Control of Pollution) Amendment Act, 1987, in the interest of Public Health and Environment and you will be also liable for prosecution in the Court of Judicial Magistrate First Class under Sec.41 (2) of Water (Prevention and Control of Pollution) Amendment Act, 1988 and under Sec.37(1) of Air (Prevention and Control of Pollution) Amendment Act, 1987, the punishment for which includes imprisonment for a term which shall not be less than one year six months and which may be extended to six years and with fine.

This Order comes into effect from today i.e., 09.01.2018.
