Whereas the reference to "the industry submitted a representation on 90/10/18 to the Zonal Office, Vizag Steel Plant, that they have taken adequate polution control measures."

...
sides; Provided closed dust tank for collection of dust with dimensions of 10 x 10 x 8 ft and provided complete cladding to the dust conveyor over a length of 80 ft and provided 20 water sprinklers for wetting of inside and outside the premises.

Whereas legal hearing was conducted before the External Advisory Committee (Task Force) of A.P. Pollution Control Board on 27.02.2018 vide reference 6th cited. The representatives of the industry attended the legal hearing. The Committee noted that the Zonal Office, Visakhapatnam has issued Closure order to the stone crusher on 12.01.2018 for not providing adequate air pollution control measures and causing air pollution problems in the surrounding area. The committee also noted that the compliance of the Board directions. The EE, RO, Eluru attended the meeting and informed that the industry has provided the air pollution control systems to minimize the air pollution in the surroundings. The representative of the stone crushers informed that they provided water sprinkling systems to control fugitive dust emissions. He informed that GI sheet cladding was provided to the jaw crushe,r vibrating screen and closed bunker for collection of stone dust. They assured that they will complete laying of metal road within their premises within 2 months. Hence requested to consider and issue revocation of closure order, as they have complied many of the directions issued by the Board.

The Committee after detailed discussions, recommended to issue the revocation of closure order with certain directions. The Board hereby issue revocation of closure order with the following directions under Sec. 33 (A) of Water (Prevention and Control of Pollution) Amendment Act, 1988 and under Sec. 31(A) of Air (Prevention & Control of Pollution) Amendment Act, 1987:

1. The Stone Crusher shall operate the unit with valid CFO of the Board.
2. The Stone Crusher shall provide wet suppression system as implemented in M/s. Lakshmi Prasanna Stone Crusher, Decherla (V), Kovur (M), West Godavari District and other dust containment measures in consultation with National Productivity Council within one month.
3. The stone crusher shall provide sheet covering for the conveyor carrying stone dust.
4. The Stone Crusher shall continuously operate the air pollution control equipment so as to achieve the standard of 600 µg/m² for SPM measured at a distance of 3 to 10 mtrs.
5. The stone crusher shall operate water sprinkling systems continuously and shall provide flow meters with totalizer to record the quantity of water consumption for dust suppression at industry premises within one month.
6. The Stone Crusher shall provide wind breaking walls & internal metal roads within 2 months.
7. The stone crusher shall carryout regular cleaning and wetting of the ground to prevent the dust spreading to the surrounding areas.
8. The Stone Crusher shall keep intact cladding provided for crushers, vibratory screens, and elevated closed dust tank for collection of dust.
9. The Stone Crusher shall spray water during loading and unloading of finished material and dust.
10. The Stone Crusher shall ensure that total premises including ramp area and approach road is always in wet condition.
11. The Stone Crusher shall not operate from 5 P.M to 5 A.M of next day.
12. The Stone Crusher shall ensure continuous compliance of the conditions stipulated in CFO order issued by the Board.

M/s A.P.E.P.D.C.L., has been requested to restore power supply to M/s. Sri Devi Leela Kanakaswari Stone Crusher, R.S.No. 15/3, Duddukuru(V), Devarapalli(M), West Godavari District.

This Order is issued under Sec. 33(A) of the Water (Prevention & Control of Pollution) Amendment Act, 1988 and under Sec. 31(A) of the Air (Prevention & Control of Pollution) Amendment Act, 1987.
FROM: 

MEMORANDUM OF DECISION 

This Order comes into effect from today 20-08-2018.

Public Health and Environment
