Order No.390/APPCB/UH-II/TF/KNL/2018-

Dt. 30.05.2018

REVOCA TION OF CLOSURE ORDER

2. Industry's request letter dt.21.03.2018.
5. External Advisory Committee (Task Force) Meeting held on 16.05.2018.

Whereas you are operating a stone crushing unit in the name & style of M/s. Sri Sai Balaji Stone Crusher, Sy.No.314-3G, 314-H, 314-31 & 315-1C/8, 1C/9, 1C/10 and 1C/11, Velidadakala (GP), Pattikuntlapalli (V), Somandapalli (M), Anantapuram District to producing Road Metal – 35TPD.

Whereas vide reference 1st cited, The ZO, Kumool has issued closure order to the industry on 25.01.2018 for operating the stone crusher without obtaining CFE/CFO order of Board and not provided air pollution control system.

Whereas vide reference 2nd cited, the Stone crusher has requested the Board to issue revocation of closure order stating that they have provided air pollution control systems to control air pollution to meet the Board’s AAQM standards.

Whereas vide reference 3rd cited, The Board has issued CFO order to industry on 30.03.2018, which is valid upto 30.09.2018 stipulating condition that “the stone crusher shall not operate without obtaining Revocation of Closure orders from the Board”.

Whereas vide reference 4th cited, the RO Officials, Kumool has inspected the Stone crusher on 16.03.2018 & 23.03.2018 and observed the following:

1. During inspection the stone crusher was not in operation as the power supply to the crusher was disconnected by the APSPDCL, Anantapuram.
2. The stone crusher has not provided cladding to the primary and secondary crushers.
3. The stone crusher has covered the vibrating screens with GI Sheet.
4. The stone crusher has covered the dust conveyor with GI Sheet.
5. The stone crusher has provided water sprinklers at ramp for wetting of the mined rock boulders before feeding in to the primary crusher and also on the belt conveyor from bunker to the secondary crusher, and also on the belt conveyors from the screen to the products viz., 12mm, 06mm and dust. The stone crusher has to sprinkle the water in the form of mist with the help of motor for effective dust suppression.
6. The stone crusher has provided fixed rotating water sprinklers on the ramp for dust suppression during the vehicular movement. Also, the stone crusher has deployed tractor mounted tanker for sprinkling water on the roads.
7. About 200 saplings were existing along the boundary and the unit representative has informed that, they will improve the greenbelt along the boundary of the crusher in the coming monsoon season.

Whereas vide reference 5th cited, legal hearing was conducted before the External Advisory Committee (Task Force) Meeting of A.P. Pollution Control Board on 16.05.2018. The representatives of the stone crusher attended the legal hearing. The Committee noted that the Zonal Office, Kumool has issued Closure order to the stone crusher on 25.01.2018 for operating without obtaining CFE/CFO order of the Board and for not providing adequate air pollution control measures and causing air pollution problems in the surrounding area. The committee also noted the status of compliance of the Board actions. The JCEE, ZO, Kumool attended the meeting and informed that new the stone crusher has obtained CFO order of the Board but not provided cladding to the primary and secondary crushers; not provided elevated dust bunker for the collection of dust. The representative of the stone crushers informed that they provided water sprinkling systems to control fugitive dust emissions. He informed that they have covered the vibrating screens with GI sheet.
They assured that they will complete laying of metal road within their premises within 3 months. It was further informed that they will provide elevated dust bunker for collection of dust and cladding to the primary and secondary crusher. Hence requested to consider this representation and issue revocation of closure order, as they have complied many of the directions issued by the Board.

After detailed discussions, the Committee recommended to issue Revocation of Closure Order with certain directions. Accordingly, the Board hereby issue Revocation of Closure Order with the following directions under Sec.33 (A) of Water (Prevention and Control of Pollution) Amendment Act, 1988 and under Sec.31 (A) of Air (Prevention & Control of Pollution) Amendment Act, 1987:

1. The Stone Crusher shall provide cladding for primary and secondary crusher and elevated closed dust tank for collection of dust within one month.
2. The Stone Crusher shall continuously operate the air pollution control equipment so as to achieve the standard of 600 μg/m² for SPM measured at a distance of 3 to 10 mtrs.
3. The stone crusher shall continuous operate water sprinkling systems and shall provide flow meters with totalizer to record the quantity of water consumption for dust suppression at industry premises within one month.
4. The Stone Crusher shall provide wind breaking walls & internal metal roads within 3 months
5. The stone crusher shall carryout regular cleaning and wetting of the ground to prevent the dust spreading to the surrounding areas.
6. The Stone Crusher shall spray water during loading and unloading of finished material and dust.
7. The Stone Crusher shall ensure that total premises including ramp area and approach road is always in wet condition.
8. The Stone Crusher shall develop thick green belt of width 5 mtrs along the boundary of the crusher.
9. The Stone Crusher shall ensure continuous compliance of the conditions stipulated in CFO order issued by the Board.

M/s A.P.S.P.D.C.L., has been requested to restore power supply to M/s. Sri Sai Balaji Stone Crusher, Sy.No.314-3G, 314-H, 314-31 & 315-1C/8, 1C/9, 1C/10 and 1C/11, Velidadakala (GP), Pattikuntapalli (V), Somandapalli (M), Anantapuram District

This Order is issued under Sec. 33(A) of the Water (Prevention & Control of Pollution) Amendment Act, 1988 and under Sec. 31(A) of the Air (Prevention & Control of Pollution) Amendment Act, 1987.

You are hereby directed to note that, should you violate any one of the conditions mentioned above, your unit will be closed under Sec. 33(A) of the Water (Prevention & Control of Pollution) Amendment Act, 1988 and under Sec.31 (A) of Air (Prevention and Control of Pollution) Amendment Act, 1987 without any further notice, in the interest of Public Health and Environment.

This Order comes into effect from today i.e., 30.05.2018.
