Order No.200/APPCB/UF-II/TF/ELR/2017- 

REVOCATION OF CLOSURE ORDER 

2. Industry’s request letter dt.28.03.2017. 
5. External Advisory Committee (Task Force) Meeting is held on 02.06.2017. 

Whereas you are operating the industry in the name & style of M/s. Vakula Devi Stone Crusher, R.S.No. 323, Duddukuru(V), Devarapalli(M), West Godavari District and manufacturing of Granite Metal Chips of various sizes – 45 TPD. 

Whereas vide reference 1st cited, the Zonal Office, Visakhapatnam issued closure order to the industry on 24.01.2017 for operating the stone crushing unit without obtaining CFO of the Board and non-initialization of air pollution control equipment. 

Whereas vide reference 2nd cited, the industry has submitted representation on 28.03.2017 for revocation of Closure Order along with compliance report 

Whereas vide reference 3rd cited, the EE, RO, Eluru has inspected the Stone Crusher Unit on 28.04.2017 to verify the compliance status and made the following observations: 

1. The industry has not provided dust containment cum dust suppression directed as per condition-9 of schedule-B of CFO order. 
2. The industry has provided Wind breaking walls of 20 ft on three sides of the crusher site. 
3. The industry has provided partial cladding to screens and complete cladding dust conveyor and no cladding is provided to crusher. 
4. The industry has not laid metal roads within the premises. 
5. The industry has not provided water sprinklers on the conveyor carrying raw materials from bunker to the crusher. 
6. The industry has planted about 200 saplings on North & East side of the industry premises. Space for further plantation is available. 

Whereas vide reference 4th cited, the EE, RO, Eluru has issued CFO & HWA Order issued on 09.05.2017 to manufacturing Granite Metal Chips of various sizes – 45 TPD, which is valid upto 30.11.2026. 

Whereas vide reference 5th cited, legal hearing was conducted before the External Advisory Committee (Task Force) Meeting of A.P. Pollution Control Board on 02.06.2017. The representatives of the industry attended the legal hearing. The committee noted that the Board had issued Closure order to the stone Crusher on 24.01.2017 at Zonal Office level for non-compliance of CFO conditions / directions and operating the unit without CFO order of the Board and not providing adequate air pollution control equipment. The representative of the industry informed that they have obtained CFO order of the Board on 09.05.2017. It was informed that they provided cladding to conveyor belt and screens. They provided water sprinklers on the conveyor carrying raw materials from bunker to the crusher. It was also informed that they will construct the metal roads by end of November’2017. They developed green belt along the boundary of the site. The AEE, RO, Eluru informed that the crusher has provided wind breaking wall of 20 ft on three sides of the crusher site. It was informed that the industry has provided partial cladding to screens and complete cladding for dust conveyor and no cladding is provided to crusher. 

The Committee after detailed discussions, recommended to issue Revocation of Closure Order with certain directions. The Board is hereby issue Revocation of Closure Order with the following directions under Sec.33 (A) of Water (Prevention and Control of Pollution)
Amendment Act, 1988 and under Sec.31(A) of Air (Prevention & Control of Pollution) Amendment Act, 1987.: 

1. The industry shall submit an undertaking within one week to take up all the measures that would be suggested by National Productivity Council (NPC).
2. The industry shall maintain premises sufficiently wet during and after operation hours to ensure that no dust is emitted during plying of the vehicles.
3. The industry shall provide water sprinkling system to ensure that the road between crusher and quarry in wet always.
4. The industry shall provide internal road in the crusher premises within 6 months.
5. The suspended particulate matter measured between 3m and 10 m from any process equipment of stone crushing unit shall not exceed 600 micrograms/ cubic meter.
6. The industry shall develop thick greenbelt at vacant place in crusher area.
7. The industry shall ensure continuous compliance of the conditions issued in the CFO order dt.09.05.2017.

M/s A.P.E.P.D.C.L., has been requested to restore power supply to M/s. Vakula Devi Stone Crusher, R.S.No. 323, Duddukuru(V), Devarapalli(M), West Godavari District.

This Order is issued under Sec. 33(A) of the Water (Prevention & Control of Pollution) Amendment Act, 1988 and under Sec. 31(A) of the Air (Prevention & Control of Pollution) Amendment Act, 1987.

Further, you are directed to note that, should you violate any one of the conditions mentioned above, your unit will be closed under Sec. 33(A) of the Water (Prevention & Control of Pollution) Amendment Act, 1988 and under Sec.31 (A) of Air (Prevention and Control of Pollution) Amendment Act, 1987 without any further notice, in the interest of Public Health and Environment.

This Order comes into effect from today i.e.,20.06.2017.
