The Member Secretary welcomed the members of the Bio-Medical Waste Management Technical Committee and after general remarks the committee took up the items agenda-wise and the decisions of the BMW Technical Committee on each case are recorded below.
MINUTES OF THE 10TH BIO-MEDICAL TECHNICAL COMMITTEE
MEETING HELD ON 27.08.2016

1. M/s.Y.J.Multi Clave - Proposal for setting up Second Common Bio Medical Waste Treatment Facility (CBMWTF) at Guntur District by for obtaining Environmental Clearance.

M/s.Y.J.Multi Clave submitted a letter dated 16.07.2016 requesting for issue of preliminary acceptance for Establishment of a Second Common Bio medical treatment facility at Sy.No. 7/1, 8/1, Tana Annavaram, Tellabada Village, Nuzendla Mandal, Guntur District for obtaining Environmental Clearance from the SEAC & SEIIAA Committee. The representative of the proposed (CBMWTF) attended the meeting and explained that the bed strength in Guntur District is 16,172 excluding the Government Hospitals (Guntur General Hospital, PHCs, CHCs) other Private Hospitals, Clinics and Diagnostic Centers in remote area and veterinary Institutions and are not covered by the existing CBMWTF, as the district coverage is more. The committee reviewed the report of the EE:RO - Guntur and noted that the bed strength is 13,239 as per the office records and the existing facility i.e M/s. Safviron, Chinnakani (Village), Mangalagiri (Mandal), Guntur District (CBMWTF) is having an incinerator of capacity 200 kgs/hr and is catering Bio-Medical Waste Treatment Services to the HCEs of 533 nos and with bed strength of 13,239 nos in the jurisdiction of Guntur District.

The committee also noted that earlier, 3 proposals i.e. Consent for Establishment (CFE) applications of the Board were received by the APPCB for Establishment of a Second Common Bio medical treatment facility in Guntur District viz

2. M/s. Y.J. Multi Clave, Sy.No. 7/1, 8/1, Tana Annavaram, Tellabada Village, Nuzendla Mandal, Guntur District.

The above three CFE applications were rejected by the Board for not having Environmental Clearance (EC) and also regarding bed strength etc.

Recommendations:
After detailed discussions on the agenda, the Committee recommended that the EE :RO - GUNTUR shall obtain the actual data pertaining to the Bed Strength from the registering authority i.e. District Medical & Health Officer (DM&HO) and submit feasibility report for
establishment of 2nd CBMWTF in GUNTUR District duly taking into consideration the following points:

1. Total no. of Clinics/Hospitals and their bed strength as per the registering authority i.e. DM&HO records.
2. Total no. of Veterinary Hospitals, Ayurvedic & Homeopathic Hospitals in the District which need to be covered under BMWM Rules, 2016.
3. HCFs already covered by the APPCB.
4. HCFs covered by the existing CBMWTF i.e. M/s. Safenviron.
5. HCFs not covered by the APPCB.
6. HCFs data as per the topographical area (Revenue Divisions wise).
7. The distance between the existing CBMWTF i.e. M/s. Safenviron to the proposed M/s. CBMWTF i.e. Y.J. Multi Clave.

After receipt of the feasibility report from the EE:RO–GUNTUR, the issue shall be placed in the ensuing BMWM Technical Committee meeting for taking decision on the preliminary acceptance regarding the feasibility of 2nd CBMWTF in this District.

2. M/s. St. Ann’s Hospital, Bandar Road, Vijayawada, Krishna District

M/s. St. Ann’s Hospital, is a 300 bedded hospital. The Health Care Facility (HCF) applied for renewal of BMW Authorization. The committee noted that the HCF obtained the (CFO & HWA) vide Order dt. 21.11.2015 and has a validity period up to 31.10.2020. The HCF has not constructed STP in their premises but the HCF has obtained underground drainage system (UGD) System connection from Municipal Corporation Vijayawada for Disposing off the effluents which finally leads to STP belongs to Vijayawada Municipal Corporation.

**Recommendations:**

After detailed discussions on the agenda, the Committee recommended to issue BMW Authorization to the HCF for bed strength 300 Nos for a period upto 31.07.2019.

M/s. Aayush NRI LEPL Health Care Private Limited is a 200 bedded hospital. The HCF applied for renewal of BMW Authorization. The committee noted that the HCF has obtained the (CFO & HWA) vide Order dt. 06.05.2016 and has constructed Sewage Treatment Plant (STP) in their premises and the treated waste water is being used for plantation within the premises.

**Recommendations:**

After detailed discussions on the agenda, the Committee recommended to issue BMW Authorization to the HCF for bed strength of 200 Nos for a period upto 30.04.2019.
