The Member Secretary welcomed the members of the Bio-Medical Waste Management Technical Committee and explained about the Bio Medical Waste Management Rules, 2016 Published by the MoEF& CC, Government of India, for effective and to improved methods for collection, segregation, processing, treatment and disposal of the bio-medical wastes in an environmentally sound management thereby, reducing the biomedical waste generation and its impact on the environment. The Committee took up items agenda-wise and the decisions of the BMW Technical Committee on each case are recorded below.

M/s. Godavari Biomanagement, D.No.2-31, Peddada (Village), Pedapudi (Mandal), East Godavari District submitted a letter dated 20.06.2016 requesting for issue of preliminary acceptance for Establishment of a Second Common Bio medical treatment facility at Syno.258, Manipudi(V), Rangampeta(M), East Godavari District for obtaining Environmental Clearance from SEAC & SEIAA Committee. The representative of the proposed (CBMWTF) attended the meeting and explained that the existing CBMWTF is catering services to the HCES in tune of 576 nos with bed strength of 10,476 nos covering the areas of Rajahmundry, Amalapuram, Razole & Tuni route. Most of the Government Hospitals (PHCs, CHC), other Private Hospitals, Clinics and Diagnostic Centers in remote area and veterinary Institutions and are not covered by the existing CBMWTF, as the district coverage is more. The Committee noted that the existing facility M/s. EVB Technologies, Kanavaram(V), Rajanagaram(M), East Godavari District (CBMWTF) is catering bio medical waste services to the HCFs in the jurisdiction of East Godavari District and having a incinerator of capacity 100 kgs/hr.

Recommendations:
After detailed discussions on the agenda, the Committee recommended that the EE :RO - KAKINADA shall obtain the actual data pertaining to the Bed Strength from the registering authority i.e. District Medical & Health Officer (DM&HO) and submit feasibility report for establishment of 2nd CBMWTF in East Godavari District duly taking into consideration the following points:

1. Total no. of Clinics/Hospitals and their bed strength as per DM&HO records.
2. Total no.of Veterinary Hospitals, Ayurvedic & Homeopathic Hospitals in the District which need to be covered under BMWM Rules.
3. HCFs already covered by the APPCB.
4. HCFs covered by the existing CBMWTF i.e. EVB technologies.
5. HCFs not covered by the APPCB.
6. HCFs data as per the topographical area (Revenue Divisions wise).
7. The distance between the existing CBMWTF i.e. EVB Technologies to the proposed M/s. CBMWTF i.e. M/s . Godavari Bio management.

After receipt of the feasibility report from the EE:RO-KAKINADA, the issue shall be placed in the ensuing BMWM Technical Committee meeting for taking decision on the preliminary acceptance regarding the feasibility of 2nd CBMWTF in this District.

M/s. Narayanadri Hospitals & Research Pvt Ltd, is a 258 bedded hospital and applied for CFO renewal. The JCEE:ZO-Kurnool has forwarded the renewal of CFO & HWA application of the Health Care Facility to the Head Office as per the Board Circular dated 05.05.2016. The HCF is having operation theater -7 ICU- 1 No., Lab -2, X-ray lab-1, General Ward-2 (Male & Female). The committee noted that the HCE has not constructed STP in their premises and the HCF has obtained UDS connection from municipal corporation Tirupathi for Disposing of effluents and finally leads to STP belongs to Tirupati municipal corporation located at Settipalli, Renigunta, Chittoor District. The HCE has not provided water meters for quantification of water consumption. The HCE is not filing the water cess returns.

Recommendations:
After detailed discussions on the agenda, the Committee recommended to issue CFO & HWA and BMW Authorization to the HCF for a period upto 30.06.2017.
