DIRECTI O N S

2. RO, Guntur report dt. 01.08.2019.
3. External Advisory Committee meeting held on 05.09.2019.

WHEREAS you are operating the instant coffee manufacturing unit in the name & style of M/s. CCL Products India Ltd., Sy.Nos: 543 to 547, Duggirala, Guntur District.

WHEREAS vide reference 1st cited, you have obtained CFO of the Board for Liquid coffee-5 Tons/day, Non dairy creamer-2.3 Tons/day which is valid up to 31.05.2021.

WHEREAS vide reference 2nd cited the EE, RO, Guntur submitted a report stating that your industry was discharging effluents into DRBC drain even after installing ZLD system. The RO, Guntur issued show cause notice to your industry on 31.07.2019 directing to stop indulging in illegal discharges of waste water outside the premises as was observed during the Board of officials inspection on 29.07.2019.

WHEREAS Sri. Ashok, ETP incharge and Sri Venkata Puranam consultant of the industry have attended before the EAC committee dt. 05.09.2019 and submitted that the industry is operating ZLD system and not discharging waste water into DRBC drain now and having lined lagoons in the premises to store the effluents in case of non functioning of MEE for short periods. It was also informed that the industry has not dismantled the pipe line laid to the DRBC drain. As stated by the industry representative, the steam requirement for operation of MEE is 1.5 TPH and the RO reject is having 10,000 – 12,000 mg/lt of TDS.

After a detailed discussion, the EAC committee recommended to issue the following directions:

i) The industry shall make foolproof augmentation of ZLD system by 15.10.2019 to ensure continuous operation of ZLD.

ii) The industry shall not discharge either treated or untreated waste water into DRBC drain under any circumstances.

iii) The industry shall provide 2 more numbers of piezo metric wells as per directions dt. 25.02.2019.

iv) The industry shall install a separate energy meter for the ETP and maintain log registers to record the energy meter readings pertaining to the operation of the ETP by 30.09.2019.

v) The industry shall comply with the CFO conditions stipulated by the Board vide order dated. 23.10.2017.

After careful consideration of all material facts of the case and as per recommendations of the EAC committee, under the Powers vested with the A.P. Pollution Control Board under Section 33 (A) of the Water (Prevention & Control of Pollution) Amendment Act, 1988 and under Section 31 (A) of the Air (Prevention & Control of Pollution) Amendment Act, 1987
for the reasons discussed above, the Board hereby issues the following directions to your industry, in the interest of protecting public health & environment:

i) The industry shall make foolproof augmentation of ZLD system by 15.10.2019 to ensure continuous operation of ZLD.

ii) The industry shall not discharge either treated or untreated waste water into DRBC drain under any circumstances.

iii) The industry shall provide 2 more numbers of piezo metric wells as per directions dt. 25.02.2019.

iv) The industry shall install a separate energy meter for the ETP and maintain log registers to record the energy meter readings pertaining to the operation of the ETP by 30.09.2019.

v) The industry shall comply with the CFO conditions stipulated by the Board vide order dated. 23.10.2017.

vi) Compliance report on the implementation of directions (i) to (v) shall be submitted to Regional Office, Guntur & Zonal Office, Vijayawada on weekly basis.

You are directed to note that if you fail to comply with the above directions, Board will be constrained to initiate action against your industry under Section 33 (A) of the Water (Prevention & Control of Pollution) Amendment Act, 1988 and under Section 31 (A) of the Air (Prevention & Control of Pollution) Amendment Act, 1987, in the interest of Public Health and Environment, without any further notice to you.

This order comes into effect from today i.e. 11.09.2019.
