The EE, RO: Vijayawada has submitted that the Board issued Temporary permission to transport the effluent of M/s. Nifty Labs Pvt. Ltd., 50/(A, B, G & H), 64(A, B, C & D), 65(A, B, C & D), 66(A & b), 67 (A & B), 67 (A & B), , IDA, Kondapalli (V), Ibrahimpatnam (M), Krishna District to Ramky CETP, Visakhapatnam in case the CETP, Kondapally break downs / excess effluent if generates by the industry – Reg.

The EE, RO: Vijayawada has submitted that the Board issued Temporary permission to transport the effluent of M/s. Nifty Labs Pvt. Ltd., 50/(A, B, G & H), 64(A, B, C & D), 65(A, B, C & D), 66(A & b), 67 (A & B), 67 (A & B), , IDA, Kondapalli (V), Ibrahimpatnam (M), Krishna Dist., to Ramky CETP, Parawada, Visakhapatnam for a period of two months i.e., upto 28-05-2018 or till restart of CETP, Kondapally whichever is earlier as the CETP, Kondapally was not in operation at that time. Subsequently the CETP, Kondapally restarted its operation of Biological ETP since 1st August 2018 and started operating MEE since 1st September 2018 and at present the industry is sending the effluent to CETP, Kondapally for final disposal.

Now the industry submitted a representation to the RO:Vijayawada stating the CETP, Kondapally is not fully operational due to frequent breakdowns. Therefore, the industry has requested to permit to send the effluent of the industry to Ramky CETP, Parawada, Visakhapatnam when the CETP, Kondapally breakdowns or when any excess effluent generates by the industry to the permitted quantity of CETP, Kondapally. Further the industry submitted that the effluent quantity would be within the consented quantity only.

The industry has complied with the conditions stipulated in the permission letter issued on 28.03.2018 and they submitted the manifest copies when the effluent sent to Ramky CETP, Parawada, Visakhapatnam.

The representation of the industry for permission to send the effluent to Ramky CETP, Parawada, Visakhapatnam when the CETP, Kondapally breakdowns or when any excess effluent generates by the industry to the permitted quantity of CETP, Kondapally, may be considered.

Head Office Remarks:

2. The Board has earlier issued temporary permission to transport the effluents to CETP, M/s. Ramky Pharmacity (India) Limited, Parawada (M), Visakhapatnam on 01.12.2017 duly stipulating conditions for 3 months or till restart of CETP, Kondapalli whichever is earlier. Subsequently, the Board extended the temporary permission on 28.03.2018 for further two months (28.05.2018) or till restart of CETP, Kondapally whichever is earlier.

3. Now the industry has requested the Board for permission to send the effluent to Ramky CETP, Parawada, Visakhapatnam when the CETP, Kondapally breakdowns or when any excess effluent generates by the industry to the permitted quantity of CETP, Kondapally.

The issue is placed before the Committee for review and recommendations.
