</tr>
</tbody>
</table>

9. The project authority shall not dump the overburden, top soil etc., generated during the mining operations outside the mine lease area under any circumstances.

10. The project authority shall adopt and maintain the following measures to control erosion of dumps:
   - Retention/toe walls at the foot of the dumps.
   - Stabilization of worked out slopes by planting appropriate shrub / grass species on the slopes.
   - Garland drain around the dump for diversion of storm water. The Garland drain shall be routed through siltation pond of adequate size.
Other conditions:

11. No change in mining technology and scope of working should be made without prior approval from the Board. No further expansion or modification in the mine shall be carried out without prior approval from the Board.

12. The project authority shall develop tall growing trees along the boundary of the mine lease area with tall growing trees with native species.

13. Concealing the factual data or submission of false information / fabricated data and failure to comply with any of the conditions mentioned in this order may result in withdrawal of this order and attract action under the provisions of relevant pollution control Acts.

14. Notwithstanding anything contained in this conditional letter or consent, the Board hereby reserves its right and power Under Sec. 27(2) of Water (Prevention and Control of Pollution) Act, 1974 and Under Sec.21 (4) of Air (Prevention and Control of Pollution) Act, 1981 to review any or all the conditions imposed herein and to make such alternation as deemed fit and stipulate any additional conditions for the purpose of the Act by the Board.

15. Any person aggrieved by an order made by the State Board under Section 25, Section 26, Section 27 of Water Act, 1974 or Section 21 of Air Act, 1981 may within thirty days from the date on which the order is communicated to him, prefer an appeal as per Andhra Pradesh Water rules, 1976 and Air Rules 1982, to such authority (herein after referred to as the Appellate Authority) constituted under Section 28 of the Water (prevention and Control of Pollution) Act, 1974 and Section 31 of the Air (Prevention and Control of Pollution) Act, 1981.
