| 1         | M/s. Smt. C. Padmaja, 3.19 Ha Steatite & Dolomite mine of Sy. No. 285, 287/1&2, Venkatagiri (V), (Hamlet of Pendekal), Bethamcherla (M), Kurnool District | The committee noted that the proposed mine is having EC and nearest human habitation is at a distance of about 0.18 kмs from the boundary of the mine. The committee examined the minutes of CFE committee meeting held on 20.02.2016 at Head Office, APPCB regarding issue of CFE to the mining projects (General Item) wherein it was recommended to issue CFEs to the mining projects located nearer to human habitation who have obtained ECs with the following additional conditions.  
➢ To provide GI sheets of height 20 ft towards human habitation  
➢ To develop greenbelt with tall growing trees all along the boundary  
➢ No blasting in the mining operations except use of low explosives/chemicals without detonator, to develop split in the parent rock for extraction of granite block  
➢ Wet drilling and wire saw cutting method shall be adopted to control dust pollution. 
The committee after detailed discussion on the agenda recommended to issue CFE to the mine with the above additional conditions. |
| 2         | M/s. Suguna Constructions, Sy.No.473, Hulebeedu (V), Alur (M), Kurnool district. | The Committee noted from the RÖ report that the proposed site is meeting the siting guidelines for establishment of stone crushing unit. The committee after detailed discussion on the agenda recommended to issue CFE to the industry |
| 3         | M/s. Udayananda Health Care Private Limited, D.No.30/410-426, Bogguline, Nandyal (V&M), Kurnool District | The committee after detailed discussion on the agenda recommended to issue CFE to the Health Care Facility to establish 160 beded Hospital with a condition to provide ETP/STP. |
| 4         | Smt. D.Manjula 36.423 Ha of Pathakothacheruvu Quartz Mine of at Sy.No.40/Part, Pathakothacheruvu (V), Guntakal (M), Ananthapuram District | The committee noted that the proposed mine is having EC & human habitation is existing at more than 500 mtrs from the mine lease area. The committee after detailed discussion on the agenda recommended to issue CFE to the mine. |
| 5         | Sri CLN Reddy 4.619 Ha for Mining of Dolomite, Steatite & White shale Sy.No.641,642/A,B, 643, 644,645,649/C,D,E,650,652,653, 654/A,B,C,D,E&655 of Kristapadu (V),Peddavaduguru(M), Anantapur District. | The committee noted that the proposed mine is having EC and nearest human habitation i.e Kondupalli (V) is at a distance of about 300 mtrs from the boundary of the mine. The committee examined the minutes of CFE committee meeting held on 20.02.2016 at Head Office, APPCB regarding issue of CFE to the mining projects (General Item) wherein it was recommended to issue CFEs to the mining projects located nearer to human habitation who have obtained ECs with the following additional conditions.  
➢ To provide GI sheets of height 20 ft towards human habitation  
➢ To develop greenbelt with tall growing trees all along the boundary  
➢ No blasting in the mining operations except use of low explosives/chemicals without detonator, to develop split in the parent rock for extraction of granite block  
➢ Wet drilling and wire saw cutting method shall be adopted to control dust pollution. 
The committee after detailed discussion on the agenda recommended to issue CFE to the mine with the above additional conditions. |
