MINUTES OF THE CFE COMMITTEE MEETING HELD ON 17.08.2019
AT APPCB, ZONAL OFFICE, 1ST FLOOR, SHANKAR SHOPPING
COMPLEX, KRISHNA NAGAR MAIN ROAD, KURNOOL – 518 002.

The following were present:

1. Sri K. Venkateswara Rao, Member – Convener
   Jt. Chief Environmental
   Engineer, Zonal Office,
   Kurnool

2. Dr. B. Srinivasa Reddy, Member
   Principal, G. Pulla Reddy
   Engineering College, Kurnool

The following Board officials attended the meeting:

1. Sri K.S.A. Krishna
   SEE, ZO, Kurnool

2. Sri M.V.N. Prasad
   SEE, ZO, Kurnool

The Member - Convener welcomed the members of the CFE Committee. After general
introductory remarks on the items placed before the CFE Committee, the Committee took up
items agenda-wise. The decisions of the CFE Committee on each case are recorded below.

| 3         | Sri G Damodharam Naidu, (4.950 Ha Colour Granite Mine), Sy.No.420 (Old Sy.No.GAP Area) Nethakuppam Village, Ramachandrapuram (M), Chittoor Dist | The committee noted that the proposed mine is a Lime stone mine and is having EC and nearest human habitation i.e. Vepakuppam is at a distance of about 300 mtrs from the boundary of the mine. The committee examined the minutes of CFE committee meeting held on 20.02.2016 at Head Office, APPCB regarding issue of CFE to the mining projects (General Item) wherein it was recommended to issue CFES to the mining projects located nearer to human habitation who have obtained ECs with the following additional conditions.  
➢ To provide GI sheets of height 20 ft towards human habitation  
➢ To develop greenbelt with tall growing trees all along the boundary  
➢ No blasting in the mining operations except use of low explosives/chemicals without detonator, to develop split in the parent rock for extraction of granite block  
➢ Wet drilling and wire saw cutting method shall be adopted to control dust pollution.  
The committee after detailed discussion on the agenda recommended to issue CFE to the mine with the above additional conditions suitable to mining activity. |
| 4         | Sri V.Srinivasan, (4.0 Ha Colour & Black Granite Mine), Sy.No.1/1, Diguapalli (V), Chowdepalli (M), Chittoor Dist | The committee noted that the proposed mine is having EC & human habitation is existing at more than 500 mtrs from the mine lease area. The committee after detailed discussion on the agenda recommended to issue CFE to the mine. |
| 5         | Sri M.S.Manjunath, (1.0 Ha Black Granite Mine), Sy.No.450/18 (P), Gorivimakulapalli (V), Ramakuppam (M), Chittoor Dist | The committee noted that the proposed mine is a Lime stone mine and is having EC and nearest human habitation i.e. Gorivimakulapalli is at a distance of about 400 mtrs from the boundary of the mine. The committee examined the minutes of CFE committee meeting held on 20.02.2016 at Head Office, APPCB regarding issue of CFE to the mining projects (General Item) wherein it was recommended to issue CFES to the mining projects located nearer to human habitation who have obtained ECs with the following additional conditions.  
➢ To provide GI sheets of height 20 ft towards human habitation

### AGENDA NO. 6
**NAME & ADDRESS OF THE INDUSTRY**
- Sri KP Rakhi, (1.0 Ha Black Granie Mine), Sy.No.468, Gorimakulapalli (V), Ramakuppamp (M), Chittoor dist

**DECISION OF THE COMMITTEE**
The committee noted that the proposed mine is a Lime stone mine and is having EC and nearest human habitation i.e. Gorimakulapalli is at a distance of about 380 mtrs from the boundary of the mine. The committee examined the minutes of CFE committee meeting held on 20.02.2016 at Head Office, APCCB regarding issue of CFE to the mining projects (General Item) wherein it was recommended to issue CFEs to the mining projects located nearer to human habitation who have obtained ECs with the following additional conditions:
- To provide GI sheets of height 20 ft towards human habitation
- To develop greenbelt with tall growing trees all along the boundary
- No blasting in the mining operations except use of low explosives/chemicals without detonator, to develop split in the parent rock for extraction of granite block
- Wet drilling and wire saw cutting method shall be adopted to control dust pollution.

The committee after detailed discussion on the agenda recommended to issue CFE to the mine with the above additional conditions suitable to mining activity.

### AGENDA NO. 7
**NAME & ADDRESS OF THE INDUSTRY**
- M/s.Srinivasa Buildcon (India) Private Limited, (Hot Mix Plant), Sy.No.78/10, 11, Bhavani Sankara Puram (V), Thottambedu (M), Chittoor dist

**DECISION OF THE COMMITTEE**
The committee noted that:
1. The proponent has to install scrubber in addition to the bag filter provided to the 120 TPH Thermodrum Mix plant.

The committee after detailed discussion on the agenda recommended to issue CFE to the Hot Mix plant.

### AGENDA NO. 8
**NAME & ADDRESS OF THE INDUSTRY**
- M/s.Osmin Wood Panels Private Ltd., Sy.No.214/6,7&8, 215/5,6&7, 216/4, Block No.11 (UDI), Pagali Industrial Area, Yerpedu (M), Chittoor District, AP

**DECISION OF THE COMMITTEE**
The committee noted the following from RO report that:
- The CFE vide order dt.27.03.2012 to manufacture Fabricated metal products – 71 TPD.
- The industry applied for CFE Expansion for installation of additional briquette fired thermic fluid heater of capacity 1 X 21 Lakh K.cal as stand by without any increase in production capacity.

The committee after detailed discussion on the agenda recommended to issue CFE for expansion to the industry for installation of additional briquette fired thermic fluid heater of capacity 1 X 21 Lakh K.cal as stand by.

### AGENDA NO. 9
**NAME & ADDRESS OF THE INDUSTRY**
- M/s.Mangal Industries Ltd., Silver Lining Storage Solutions Division, Sy.No.1237, 1244 & 279,Thenepalli (V), Puthalapattu (M), Chittoor Dist

**DECISION OF THE COMMITTEE**
The Committee noted from the RO report that:
- During expansion, industry has proposed to expand the production capacity of wheel chairs 1,00,000 Nos/Annnum (Existing 80,000 Nos/Annnum + Expansion 20,000 Nos/Annnum).

The committee after detailed discussion on the agenda recommended to issue CFE (Expansion) to the industry to expand the production capacity of wheel chairs 1,00,000 Nos/Annnum (Existing 80,000 Nos/Annnum + Expansion 20,000 Nos/Annnum).

| 12        | M/s. V Vara Prasad Stone Metal Crusher, Sy.No. 731/4, Peddajutur (V), Vamula (M), YSR Kadapa Dist. | The Committee noted from the RO report that:  
- The proposed site is meeting the siting guidelines for the stone crushing unit.  
- The stone crusher has to implement the requisite air pollution control measures to control the dust emissions.  
The committee after detailed discussion on the agenda recommended to issue CFE to the stone crusher with certain conditions. |
| 13        | M/s.M.S.R.S.Mines & Minerals, Sy.No.118/1, 118/2, 118/4n2, 118/3, 118/5A, Raghupaluram (V), Pulivendula (M), YSR Kadapa District. | The committee examined the CFE order dt. 09.08.2019 issued to the crusher. The committee after detailed discussion on the agenda ratified the issuance of CFE order to the industry vide order dt. 09.08.2019 |
| 14        | M/s. International Flavours & Fragrances India Private Ltd., (Expansion), Sy.No.387, 388,2,2/2 Etc., Sri City, DTZ, EMC Second Avenue, Cherrviti & Irupulam villages, Salyavodu (M), Chittoor Dist., Andhra Pradesh. | The committee examined the CFE for expansion order dt. 13.08.2019 issued to the industry and amendment order dt: 14.08.2019. The committee after detailed discussion on the agenda ratified the issuance of CFE for expansion order to the industry vide order dt: 13.08.2019 and amendment order dt:14.08.2019. |
| 15        | M/s.Sri Singala Chinnna Ananda 1.5 Ha Road Metal and Building Stone mining of S/o.Sreeraganna, Sy.No 678, V.Kothakota (V), Vidapanakal (M), Anantapuram District | The committee noted that the proposed mine is Not obtained EC, the Deputy Director of Mines & Geology, Kurnool, Govt. of Andhra Pradesh vide proceedings dated 30.01.2012 has granted quarry lease for road metal and building stone over an extent of 1.5 Ha in at Sy.No 678, V.Kothakota (V), Vidapanakal (M), Anantapuram District in favour of Sri Singala Chinnna Ananda for a period of 10 years. Subsequently, the Assistant Director Of Mines and Geology (FAC), Anantapuram vide proceeding dt:16.03.2012 has executed quarry lease deed for a period 10 years in favour of Sri Singala Chinnna Ananda. Therefore, as per the SEBAA, Andhra Pradesh circular dt:01.11.2018 the unit can continue to operate without Environment Clearance till the mining lease falls due for renewal in the year 2022. The committee after detailed discussion on the agenda recommended to issue CFE to the mine. |
| 16        | M/s. Sri Venkateshwar Metal Crushing, Sy.No. 174-4, Gadraliapalli (V), Chilamathur (M), Anantapur District | The committee noted that:  
- The proposed site is meeting the siting guidelines.  
- The stone crusher has to provide complete cladding to the crushers, and vibrating screen, water sprinklers at crusher, belt conveyors and other dust generating sources etc., dust bunker for collection of dust and dust will be directly loaded into the trucks, regular wetting of ground, covering of dust conveyor with MS sheet and also developing of 5 mtrs width of greenbelt all along the boundary of the crusher  
The crusher vide letter dt. 16.08.2019 submitted the proposed air pollution control measures for dust suppression. The committee after detailed discussion on the agenda recommended to issue CFE to the industry with certain conditions. |
## MINUTES OF THE CFE COMMITTEE MEETING HELD ON 17.08.2019

| 17         | M/s. Venkata Sai Minerals, Sy.No.458, Edurudinna(V), N.P.Kunta(M), Anantapur District | The committee noted that  
- M/s. Venkata Sai Minerals have applied for CFE of the Board to establish a pulverizing in the mine lease area.  
- Not obtained NOC from the AD Mines & Geology to establish pulverizer in the mine lease area.  
The committee after detailed discussion on the agenda recommended to issue CFE to the industry subject to submission of No objection certificate from AD Mines & Geology within one month. |
| 18         | M/s. Glovis India Anantapur Pvt Ltd, (Vehicle Processing Center), Sy.No. 612-1BPart, 612-3Part, 613-1Part, 614-10Part, 614-14Part, 614-15Part, Yerramanchi, (V), Penukonda (M), Ananapuram District | The Committee noted from the RO report that:  
- a. The industry has proposes to provide services such as temporary storage in secured location, anticorrosive coating (underbody coating), Port installing option service and pre delivery inspection for ensuring the finished vehicle quality.  
- b. The industry is not installing DG sets, boilers, furnaces, painting booths etc.  
The Committee after detailed discussion on the agenda recommended to issue CFE to the industry with certain conditions. |
| 19         | M/s. A one Ispat (P) Ltd., Plot No.14 (Part), Industrial Park, Gollapuram(V), Hindupuram (M), Anantapur Dist | The committee after detailed discussion on the agenda recommended to issue CFE for expansion to the industry with a condition to provide base filters to the slag crusher within one month. |
| 20         | M/s. Varthaman Industries, Sy.No.76-A,B,C,D and 77-3, Rayalacheruvu (V), Yadiki (M), Ananapuram District | The committee after detailed discussion on the agenda recommended to issue CFE to the industry with following conditions:  
- The proponent shall provide Multi cyclone dust collector followed by pulse jet bag house with 150 bags followed by chimney of height 35 mtrs to control flue gas emissions from the rotary kiln.  
- The proponent shall provide pulse jet bag house with 280 bags to control dust emissions emanated during crushing and grinding in the vertical roller mill.  
- The proponent shall provide bag filter to the storage silo  
- The proponent shall submit the design details of design specifications within one month. |
| 21         | M/s. Sam Agri Industrial Research and Innovation Park Private Limited, Sy.No.459/1,2, Kyathaganacheruvu Panchayat & Village, Somandepalle Mandal, Anantapur District | The Committee noted from the RO report that:  
- The proposed site of the industry is abutting the Hindupur to Somandepall road in East direction and the industry is constructing the process shed by leaving buffer zone of 60 mtrs from the road in the eastern direction.  
The committee after detailed discussion on the agenda recommended to issue CFE to the industry with certain conditions. |
| 22         | M/s. Sri Lakshmi Venkateshwar Metal Crushing, Sy.No.184-3B, Gadadlapalli (V), Chilamathur (M), Anantapur District | The committee examined the CFE order dt. 03.08.2019 issued to the crusher. The committee after detailed discussion on the agenda ratified the issuance of CFE order to the industry vide order dt. 03.08.2019 |
| 23         | Smt. B.Thulasi 3.0 Ha., Road Metal and Building Stone mining, Sy.No.184/1, Kanchisamudram (V), Lepakshi (M), Anantapur District | The committee examined the CFE order dt. 03.08.2019 issued to the mine. The committee after detailed discussion on the agenda ratified the issuance of CFE order to the industry vide order dt. 03.08.2019 |

| 24        | M/s Sri Chakra Milk Products Pvt. Ltd, Sy.No.78-2, Gajarampalli(V), Pamidi(M), Anantapur District | The committee examined the CFE order dt. 05.08.2019 issued to the industry with the following additional conditions:
1. The industry shall not process more than 50 Kilo Liters/Day of milk.
2. The proponent shall maintain 50 mtrs width buffer zone from the Hyderabad – Bangalore National Highway road boundary to the industry shed and the buffer zone shall be permitted to utilize for the following activities as per the undertaking letter dt. 05.08.2019:
   a) Vehicle parking
   b) Administrative building & security office
   c) Greenbelt
   d) Electrical sub station/transformer
   e) Fuel station
   f) Water supply sump and
   g) Other non industrial activities and no industrial activities shall be undertaken within 50 mtrs from National Highway.
3. Under no circumstance the industry shall generate more than 91,000 Ltrs/day as per the letter dt. 05.08.2019
   The committee after detailed discussion on the agenda ratified the issuance of CFE order to the industry vide order dt. 05.08.2019 |
