| 8         | M/s. Surya Enterprises (Mine Lease area – 9.172 Ha) (Presently M/s. Shree International Vyapur Pvt. Ltd.) Sy.No.743 of Somandepalli (V & M), Anantapuram District | The committee noted from the RO report that:  
1. The industry is not complying with the conditions stipulated in the previous CFO order dated 09.04.2018.  
a) Providing 20 Ft height GI Sheet towards Papireddy palli cheruvu to arrest any dust falling in the cheruvu.  
b) Operating of the drills with dust extractors or equipped with water injection for dust suppression during drilling operations.  
c) Construction of Retention/toe walls at the foot of the dumps  
d) Stabilization of worked out slopes by planting appropriate shrub / grass species on the slopes  
e) Construction of Garland drain around the dump for diversion of storm water and also routing of the garland drain through siltation pond  
f) Development of green belt in the buffer zone of 7.5 mtrs all around the mine lease area.  
2. The industry vide letter dt:07.04.2018 had submitted an undertaking stating that, (i) they will provide 20 ft height GI sheet towards papireddypalli cheruvu within 30 days (ii) will construct the retention wall for the rock waste dump, and also garland drain around the dump and also siltation pond within 15 days.  
3. A Writ Petition W.P. (PIL) No.244 of 2018 was filed by Kum. Sirisha & other students of Kasturba Gandhi Girls High Residential School (KGBV), Papireddypalli(V), Somandepalli (M), Anantapuram District in the Hon’ble High Court against the uncontrolled blasting by the M/s. Shree International Vyapur (P) Ltd., in Sy.No.743, Velagamakulapalli(V), Somandepalli (M), Anantapuram District  
4. The industry has paid fee for 5 years i.e., up to 31.01.2023.  
5. The Board officials met Smt Anitha, Special officer (Incharge) and Smt Aparna, Accountant of KGBV residential school and they informed that they are not facing any dust pollution and also vibrations to their school building from the last three months.  
6. Board officials have enquired with the school children of KGBV residential school regarding the dust pollution from the mine, and also the occurrence of vibrations to the school building during blasting operations in the mine lease area. The school children have informed that they were not facing any dust pollution and also the vibrations from the mine lease since June 2019. They also informed that they faced severe sound nuisance, smell & Dust nuisance in the previous academic year, and also there was a feeling of nausea to them during the blasting operations of the mine.  
7. The officials of Regional office, Anantapuram have conducted Ambient Air Quality monitoring at KGBV residential school building on 29.08.2019 & 30.08.2019 and as per the analysis report the value of PM10 is 32.6 μg/m³ as against the standard of 100 μg/m³  
8. The Board officials have conducted the noise monitoring at KGBV school on 29.08.2019 and 30.08.2019 and the average noise levels on 29.08.2019 is 50 dB(A) and on 30.08.2019 is 62 dB(A) as against the standard of 50 dB(A). |

<tbody>
<tr>
<td>9.</td>
<td>The JCEE (Unit-II), Board office vide email dated 19.08.2019 has forwarded the complaint received from the farmers somamdepalli Mandal, Naginayani Cheruvu Thandaa, Velagamakulapalli, Papireddy Palli, Nallagondrayanipalli village, Anantapuram regarding the cancellation of the Lease of the Road Metal Quarry. The project authority has not complied with the pollution control measures to be implemented as per the commitment give 07.04.2018. It has not submitted any fresh undertaking also. The EE, RO, Anantapur recommended to Reject CFO application of the unit, as the unit is not complying with the CFO conditions and also in the light of the writ petition pending before the Hon’ble High court and the complaint received from the nearby villagers and school children for the cancellation of the mine lease. The committee after detailed discussion on the agenda recommended to Reject the CFO to the industry for the above reasons.</td>
