MINUTES OF THE SPSR NELLORE & PRAKASAM DISTRICTS FOR CONSENT FOR OPERATION COMMITTEE MEETING HELD ON 21.08.2019
IN THE APPCB, ZONAL OFFICE, VIJAYAWADA

The Consent for Operation Committee Meeting was held on 21.08.2019 in the Zonal Office to process the Consent for Operation cases.

Following members were present in the meeting:

01. Sri. N.V. Bhaskar Rao,
    Joint Chief Environmental Engineer,
    Zonal Office, A.P. Pollution Control Board.

02. Dr. J. Chandrasekhar Rao
    Dept. Of Botany
    Andhra Loyola College, Vijayawada

03. Dr. P.V.V. Satyanarayana
    Dept. of Chemistry,
    Acharya Nagarjuna University, Guntur district

04. Dr. G. Devala Rao
    Principal & Professor,
    KVSR Siddhartha Pharmacy College, Vijayawada

Following Officers were present in the meeting:

01. Sri K. Ramesh,
    Senior Environmental Engineer,
    Zonal Office, A.P. Pollution Control Board.

02. Sri M. Narayana,
    Environmental Engineer - II
    Zonal Office, A.P. Pollution Control Board.

<td>The CFO committee in its meeting held on 21.08.2019, examined the CFO application of the industry and RO’s verification report. The committee observed that i) this is a stone crusher located at Sy. No. 210, Vankayalapadu (V), Edlapadu (M), Guntur District. ii) Previously the RO, Guntur has issued direct CFO on 29.04.2004 to operate the stone crusher in the name of M/s. Rajasree Industries located at Sy. No. 210, Vankayalapadu(V), Edlapadu (M), Guntur District to produce stone chips. Later, the Zonal office issued renewal of CFO to the M/s Rajasree Industries on 07.02.2015 to produce stone chips of various sizes of 25 TPD capacity and the same was expired by 31.10.2017. Subsequently the industry not applied for the renewal of the CFO. iii) The stone crusher leased to M/s. Sri Venakataramana Stone Crusher from 21.04.2018 to 20.04.2028. iv) The proprietor of M/s. Sri Venakataramana Stone Crusher has applied for CFE for expansion of the production capacity of stone chips of various sizes of 500 TPD and Stone dust of 50 TPD capacity through APOCMMS by installing giant crusher. v) Under expansion proposal, the industry proposed to install giant crusher with primary and secondary crusher. The industry installed primary crusher without obtaining CFE of the Board. Thus, notice was issued by the RO, Guntur on 28.05.2018 to the industry to stop further construction of expansion activity, till CFE is obtained from the Board. vi) The issue was reviewed during CFO Committee meeting held on 07.06.2018 at Zonal office, Vijayawada and the Board has not accorded CFE (Expansion) for the enhanced capacity as the stone crusher has not complied with the siting guidelines of the Board and considered the CFE for the existing capacity of 25 TPD only vide order dt.08.06.2018. vii) The industry has installed Primary / Giant (Boulders) Crusher in addition to the secondary jaw crusher. viii) It was informed by the industry representative that the stone crusher was under operation for the past...</td>
