| 1         | M/s Vinayaga Fabrics, Sy.No.5/1/149, Rajiv Gandhi Nagar, Ekambarakuppam, Nagar (M), Chittoor District, Andhra Pradesh | The Committee noted from the RO report that::  
a. The Industry has not obtained TSDF membership for disposal of the ETP sludge. Industry stored about 3.0 Tons of ETP sludge.  
b. The industry has not complied with some of the Task force directions issued by the Board.  
The committee after detailed discussion on the agenda recommended to issue CFE (Expansion) to the industry with the following conditions.  
1. The industry shall obtain TSDF membership within one month and dispose the ETP Sludge to TSDF.  
2. The industry has to complete construction of ETP of capacity 250 KLD forthwith including erection of RO Plant, MEE and ATFD.  
3. The industry has to comply with Task Force directions dt. 24.09.2018 within one month. |
| 2         | M/s. Win Granites, 1.834 Ha Colour Granite Mine of Sy.No. 981/1 (Old Sy.No.05), Gollapalli (V), B.Kothakota (M), Chittoor District, Andhra Pradesh | The committee noted that the proposed mine is a Lime stone mine and is having EC and nearest human habitation i.e. Kottapalle is at a distance of about 300 mtrs from the boundary of the mine. The committee examined the minutes of CFE committee meeting held on 20.02.2016 at Head Office, APPCB regarding issue of CFE to the mining projects (General Item) wherein it was recommended to issue CFEs to the mining projects located nearer to human habitation who have obtained ECs with the following additional conditions.  
> To provide GI sheets of height 20 ft towards human habitation  
> To develop greenbelt with tall growing trees all along the boundary  
> No blasting in the mining operations except use of low explosives/chemicals without detonator, to develop split in the parent rock for extraction of granite block  
> Wet drilling and wire saw cutting method shall be adopted to control dust pollution.  
The committee after detailed discussion on the agenda recommended to issue CFE to the mine with the above additional conditions suitable to mining activity |
