The Member Secretary welcomed the members of the CFO Committee and after introductory remarks on the items placed before the CFO Committee, the Committee took up items agenda-wise. The decisions of the CFO Committee on each case are recorded below.
VIJAYAWADA ZONE:

1. M/s. The KCP Limited (Lime Stone Mine), Muktyala (V), Jaggaiahpet (M), Krishna District

M/s. The KCP Limited (Lime Stone Mine), Krishna District is involved in open cast mining. The industry earlier obtained CFO&HWA of the Board on 23.08.2017 with valid upto 31.10.2022. The industry obtained EC on 09.02.2018. They industry obtained CFE (Expansion) of the Board on 10.04.2018.

Now the industry applied for CFO&HWA (After Expansion) of the Board for a period of five years i.e. up to 31.03.2023 through OCNMS.

The industry representative attended the meeting and submitted to the committee that they are importing coal from outside the country; the industry is full automatize.

Recommendations:

After detailed discussions, the committee recommended to issue CFO&HWA (After Expansion) of the Board with validity upto 31.03.2023 duly stipulating the conditions along with the following conditions:

1. The Industry shall ensure that no natural watercourse shall be obstructed due to any mining operations.
2. Garland drain of appropriate size, gradient and length shall be constructed for both mine pit and inter burden dumps and sump capacity shall be provided. Sump capacity with adequate retention period to allow proper settling of silt material shall also be provided. Sedimentation pits shall be constructed at the corners of the garland drains and desilted at regular intervals.
3. The proponent has to provide a trench for storm water draining from the mine lease area to aid in preventing the sedimentation of silt and avoid siltation at the discharge end of check dams.
4. Thick Green belt of width 7.5 m shall be developed around the mine lease area, haul roads, OB dump sites etc., as stipulated in the EC order dated 09.02.2018. The existing greenbelt shall further augmented during the expansion.

2. M/s. Dinakara Life Sciences Private Limited, Ida, Tirumalagiri (V), Jaggaiahpet (M), Krishna District

M/s. Dinakara Life Sciences Private Limited, Krishna District is involved in manufacturing of drug and drug intermediates. The industry is having valid consent of the Board with validity upto 31.01.2019. As per the CFO order the following are the outlets for discharge of effluent:

<table>
<thead>
<tr>
<th>S.No</th>

<td>0.4 KLD</td>
<td>Septic Tank followed by soak pit.</td>
</tr>
</tbody>
</table>

The industry has requested for disposal of effluent to Ramky CETP, Visakhapatnam as the FE system was not in working condition for treatment of their effluent.

The industry representatives attended the meeting and submitted to the committee that they have issued purchase order for MEE, which will be installed within 3 months. Until then they have requested to permit to send the HTDS and LTDS effluent to CETP, Parawada, Visakhapatnam.

Recommendations:

After detailed discussions, the committee recommended to obtain CFE Amendment for change of mode of Disposal.

3. M/s V S N Laboratories Pvt Ltd., Plot No.29 & 30, Tirumalagiri (V), Jaggaiahpet (M), Krishna District

M/s V S N Laboratories Pvt Ltd., Krishna District is involved in manufacturing of drug and drug intermediates. The industry is having consent of the Board with a validity period upto 30.11.2021. As per the CFO order the following are the outlets for discharge of effluent:

<table>

</tr>
</tbody>
</table>

The industry made a representation requesting for permitting to send the effluent temporarily to Ramky CETP, Parawada, Visakhapatnam for treatment and disposal.

The industry submitted an action plan for completion of MEE within 3 months time and requested to give permission to send the HTDS and LTDS effluent to CETP, Parawada, Visakhapatnam for 3 months.

**Recommendations:**
After detailed discussions, the Committee recommended the industry submit action plan, the decision will be taken after submission of action plan.

4 **M/s. Safenviron (Unit-II), Sy.No.164/1a, Dharmavaranupadu Thanda(V), Jaggaiahpet (M), Krishna District.**

M/s. Safenviron (Unit-II) Sy.No.164/1A, Dharmavaranupadu Thanda(V), Jaggaiahpet (M), Krishna District is having CFE with incinerator capacity of 70kg/hr vide order dt 07.05.2007, later they installed incinerator with a capacity of 270 kg/hr but CFE was not amended and subsequently obtained CFO vide order dt 08.04.2010 with incinerator capacity of 270 kg/hr. In CFO order dt 26.05.2014 due to typographical error it was wrongly mentioned as 100 kg/hr. The CFO order 26.05.2014 was auto renewed through vide order dt.22-03-2017. Now the industry requested for amendment of CFO for incinerator with a capacity of 270 kg/hr.

**Recommendations:-**
After detailed discussions, the committee recommended to prepare detailed report and discuss the issue with file for taking further necessary action.

5 **M/s Sagar Cements (R) Ltd., Gudipadu (V), Yadiki (M), Anantapuram District - CFO for usage of pet coke as an alternative fuel in the Kiln - Reg.**

The industry is a cement manufacturing unit. The Industry was issued with CFO & HWA vide order dt.24.03.2016 with validity upto 20.04.2020 to manufacture Clinker -0.66 Million TPA and Cement - 0.95 Million TPA. Subsequently, the validity of Consent was extended up to 30.09.2020.

The industry applied for CFO for usage of pet coke -6666.66 Tons/Month as an alternative fuel in the Kiln. The industry has also applied for HWA authorization to increase the waste oil/waste grease quantity from 250 ltrs/annum to 2 M Tons/annum in the authorization.

The Committee noted the following:
1. The EFS & T (SEC.V) Dept., Govt. of AP issued GO MS No. 71 dated 01.11.2017 notified pet coke as on an approved fuel.
2. The MoEF & CC vide Lr. dt.07.11.2017 declared that pet coke is a non hazardous waste.
3. The Hon’ble Supreme Court in its proceedings dt.13.12.2017 has clarified that Pet Coke shall be utilized in Industries where Sulphur is absorbed in the manufacturing process for example Cement industry and gasification plants.
4. Other SPCBs (Telangana & Karnataka) have issued CFOs to cement industries to use Pet Coke as Fuel.

**Recommendations:**
After detailed discussions, the Committee recommended to issue an amendment to the existing CFO & HWA order permitting to use Pet Coke as fuel in the cement kiln to increase the waste oil/waste grease quantity from 250 ltrs/annum to 4 KL /annum in the authorization.
| 6 | **M/s. Srikalahasti Pipes Ltd, Rachagunneri (V), Srikalahasti (M), Chittoor District - CFO & HWA for Expansion - Reg.** |

M/s. Srikalahasti Pipes Ltd is an integrated steel plant. The industry applied for CFO & HWA for enhancement of production capacities of the following products:

1. LAM Coke - 2,43,000 TPA to 2,80,000 TPA (37,000 TPA additional)
2. Pig Iron - 325,000 TPA to 3,50,000 TPA (25,000 TPA additional)
3. Ductile Iron Spun Pipes - 300,000 TPA to 3,50,000 TPA (50,000 TPA additional)
4. Electricity Captive Power - 14.5 MW to 16 MW (1.5 MW additional)

The representative of the industry attended the meeting and informed the committee that they have provided mobile sprinklers with permanent pipeline with adequate pressure almost equivalent to MDSS. The polishing pond has been provided by Tirupati Municipality at the intake. The primary treated water is being collected at SPL intake well.

SPL has established and operating an advanced STP in which only the daily requirement is being processed on daily basis. Hence water collected from TMC is being treated daily and treated water in STP at SPL is being utilized for process on a day to day basis. Hence an additional polishing pond is not required for STP plant operation at SPL.

**Recommendations:**

After detailed discussions, the Committee recommended to issue CFO & HWA for a period up to 30.04.2023 for enhancement of production capacities as applied.

| 7 | **M/s. Srikar Chem & Pharma India (P) Ltd., Plot.No.193, APIIC Growth Centre, Thumakunta (V), Hindupuram (M), Anantapuram District - CFO&HWA for change of product mix - CFO applications rejected - Industry's request for reconsideration the CFO & HWA application - Reg.** |

The industry is engaged in the manufacture of Bulk Drugs and its intermediates. The industry has obtained CFE for change of product mix on 20.02.2018 and applied for CFO & HWA for the change of product mix. The industry’s applications seeking Consent for Operation under the Water and Air Acts were rejected on 13.04.2018 as the industry has not complied the conditions stipulated in CFE order.

Now, the industry submitted a letter dt.21.04.2018 to reconsideration their application by stating that they have complied most of the conditions and other conditions will be met shortly and requested the Board to issue CFO.

The representative of the industry attended the meeting and informed the committee that APIIC has facilitated Special purposes vehicle for establishment of CETP in the industrial area. If CETP is not established by December 2021, industry will install MEE System. Till then industry will use FE system. Other CFE conditions will be complied shortly.

The industry submitted an action plan for completion of MEE system by December, 2018 and till that the period the FE system will be in operation and requested the Board to issue CFO.

**Recommendations:**

The Committee after detailed discussions recommended to obtain report from JCEE,ZO:Kurnool on the compliance status of the CFO on the compliance status of the CFO conditions for further necessary action.

| 8 | **M/s. Mega Steel Industries, (Formerly known as M/s. Azad Ispat India Pvt. Ltd) Sy.No.145-1,Gollapuram(V), Hindupur(M), Anantapur District - CFO for MS Ingots Division - Reg.** |

M/s. Azad Ispat India Pvt. Ltd. is engaged in manufacture of M/s. Ingots and TMT Bars. The Board has issued CFO to the industry on 28.10.2015 to manufacture MS Ingots - 48 TPD and TMT Bars - 98.6 TPD with a validity upto 31.01.2016. Subsequently, the Consent was renewed on 06.06.2016 with validity upto 15.09.2016.

The representative of M/s. Mega Steel Industries attended the meeting and informed the Committee that they purchased MS Ingots division with an area of 5.7 acres from M/s. Azad Ispat India Pvt. Ltd in the month of March 2018 and applied for CFO for MS Ingots Division in the name of M/s. Azad Ispat India Pvt. Ltd.
of M/s. Mega Steel Industries. The representative of the industry submitted 1) Sale deed executed M/s. Azad Ispat India Pvt. Ltd and M/s. Mega Steel Industries, 2) PAN No. in the name of M/s. Mega Steel Industries. 3) Deed of partnership firm. 4) Lr dt.05.04.2018 signed by M/s. Azad Ispat India Pvt. Ltd to transfer CFO to M/s. Mega Steel Industries.

The representative of the industry also informed that they will provide water meters for assessing the water consumption for cooling and domestic purposes within two months; Online stack monitoring will be installed within two months; purchased separate energy meters and will be installed within one month; Internal roads within six months; paid balance consent fee of Rs.16,300/- at Regional office, Kurnool.

**Recommendations:**

The Committee after detailed discussions recommended to issue CFO & HWA for operation of MS Ingots division in the name of M/s. Mega Steel Industries for a period of 5 years i.e., upto 15.09.2021 with relevant conditions.
