## MINUTES OF THE CFO COMMITTEE MEETING HELD ON 29.08.2017

### VISAKHAPATNAM ZONE

1. **M/s. Sai Ram Chemicals, Plot No.80 C & 80 B/L, JN Pharmacity, Parawada, Visakhapatnam District**

   M/s. Sai Ram Chemicals is a Bulk Drugs manufacturing unit. The industry earlier obtained CFO of the Board on 22.04.2015 which was valid upto 30.11.2017, subsequently obtained CFE (Expansion) of the Board on 03.08.2017. Now the industry has applied for CFO & HWA (Expansion) of the Board for a period upto 30.11.2022.

   The committee noted the following non-compliances as reported by the EE:RO - Visakhapatnam:

   1. The industry has not provided data logger to pH meter.
   2. The industry has not constructed shed for storage of Drums and storing drums in stores.
   3. The industry is storing hazardous waste underneath of Effluent storage tanks and about 0.5 ton of organic waste existing within the premises.
   4. The industry is receiving spent solvents and mixed spent solvents from their sister concern unit M/s. Aktinos Health Care for distillation purpose and after distillation, the recovered solvents returned to the industry, which is not permitted by the board.

   The industry representatives attended the meeting and submitted to the committee that the scrubbing fluids are being sent to CETP of M/s. Ramky Pharmacity. The storage shed will be constructed within 1 month. Also requested the Board to permit the receipt of solvents from their sister concern unit M/s. Aktinos Health Care for distillation purpose and after distillation, the recovered solvents returned to the industry.

   **Recommendations:**

   After detailed discussions on the agenda, RO report and industry submissions, the committee recommended to issue CFO&HWA to the industry for a period upto 30.11.2022 with relevant conditions.

2. **M/s. Narayana Medical College and Hospital, Chintharerryapalem, Nellore, SPS Nellore District**

   M/S. Narayana Medical College and Hospital, SPS Nellore District is a Health Care Facility of 1560 Beds Capacity. The HCF earlier obtained CFO&HWA order of the Board on 04.05.2015 for 1560 beds with validity upto 31.08.2017 and Bio-Medical Authorization order of the Board on 16.12.2015 with validity upto 30.11.2018. Presently the HCF has applied for Combined CFO, HWA & BMW Authorization for 1560 No. of beds for a period of four years i.e. upto 31.08.2022.

   The facility has constructed and operating STP of capacity 600 KLD for treating the aqueous effluents generated from the HCF.

   **Recommendations:**

   After detailed discussions on the agenda and RO report, the Committee recommended to issue Combined CFO, HWA & BMW Authorization for 1560 No. of beds to the HCF for a period validity upto 31.08.2022 with relevant conditions.

3. **M/s. South Asia LPG Company Pvt. Ltd., HPCL, Jetty Area, Gandhigram, Lovagardens, Visakhapatnam**

   M/s. South Asia LPG Company Private Limited, Visakhapatnam is strategic cavern storage of LPG and its handling. The facility is receiving LPG through ship carriers storing in cavern and pumped to bulk consumer operating facilities of M/s. HPCL, M/s. GAIL

MEMBER SECRETARY
MINUTES OF THE CFO COMMITTEE MEETING HELD ON 29.08.2017

(Visakha, Vijayawada – Secnderbad pipeline) M/s. EIPL etc. The facility earlier obtained CFO of the Board on 04.12.2014 with validity upto 31.08.2017. Now, the facility applied for Renewal of CFO&HWA of the Board for a period of 5 years i.e. upto 31.08.2022.

**Recommendations:**

After detailed discussions on the agenda and RO report, the Committee recommended to issue Renewal of CFO&HWA order to the facility for a period validity upto 31.08.2022 with relevant conditions.

4. **M/s. GSL Educational Society, GSL Medical College & General Hospital, NH-16, Lakshmipuram, Rajamahendravaram, East Godavari District.**

M/s. GSL Educational Society, GSL Medical College & General Hospital, NH-16, Lakshmipuram, Rajamahendravaram, East Godavari District is operating the Health Care Facility (HCF) with 1000 bedded capacity. The Medical College & Hospital is a super specialty hospital having specialization with Cardiology, Oncology, Gastroenterology, General & Laproscopic Surgery, General Medicine & Critical Care, Obstrician & Gynecology, Orthopedics, Neuro Surgery, ENT, Opthamalogly, Radiology & Nephrology etc. The HCF utilizes Water for Floor washing, Laboratory and domestic purposes only. The waste water generated from the Medical College, Hostel & Hospital is about 540 KLD and storing in unlined lagoon. Part of the wastewater is being treated in STP of capacity 300 KLD and being used for onland for plantation and the remaining is being stored in unlined lagoon.

The committee noted the following Non-compliances as report by the RO: Kakinada:

a) The Health Care Facility (HCF) built-up area is about 26234.6 Sq. Mtrs as per the EIA Notification 2006 development project with more than 20,000 Sq. mtrs area requires EC but the Health Care Facility not obtained the Environmental Clearance.

b) The committee noted that the waste water generation from Health Care facility water is about 540 KLD but the HCF has constructed and operating STP of capacity 300 KLD only and the treated waste water is being used for on land for gardening. The remaining waste water is being diverting into unlined lagoon.

c) The HCF has not constructed additional Sewage Treatment Plant (STP) of capacity 300 KLD as per condition No.3 of Schedule-B vide order Dt.24.10.2016.

The representatives of the HCF attended the meeting and submitted to the committee that the lining works of the raw water intake passage is being concreted and will be completed within a month.

**Recommendations:**

After detailed discussions on the agenda, RO report and proponent submissions the Committee recommended the following:

1. The HCF shall obtain Environmental Clearance (EC).
2. The HCF shall take up the inventory of water consumption and waste water generation and then design biological STP for treatment of the effluents.
3. The HCF shall provide water meters for measuring the raw water intake and waste water generation.
4. The HCF shall submit action plan development of 33% green belt.

The HCF shall submit commitment letter duly mentioning the time lines to comply with the above points.

5. **M/s. Mylan Laboratories Ltd., Unit-10, SEZ, Plot No.86, JNPC, Parawada, Visakhapatnam District**

M/s. Mylan Laboratories Ltd., Unit-10, SEZ. Visakhapatnam District is a bulk drug
MINUTES OF THE CFO COMMITTEE MEETING HELD ON 29.08.2017

The industry earlier obtained Renewal of CFO of the Board on 27.03.2017 for a maximum production capacity of 5066.68 Kgs/day in 3 groups with validity upto 31.03.2021.

The industry has submitted a letter stating that they are generating Sodium Bromide ML's during the manufacture of Tenofovir in stage II which are being sent to CETP as HTDS. The industry requested the Board to permit to send Sodium Bromide ML's as By-Product to outside industries for manufacture of bromine or sodium Bromide.

The industry representatives attended the meeting and submitted to the committee that Sodium bromide ML’s is proposed to send to M/s. Hepta Chem & Pharma (India) Private Limited., located at Sy.No. 113A, Madhavaram Road, Isvi (Village), Adoni (Mandal), Kurnool District as the industry has having valid CFO for a period up to 31.05.2020 to manufacture Bromine and Sodium Bromide (Purification).

Recommendations:

After detailed discussions on the agenda, RO report and industry submissions, the committee recommended to obtain CFE Amendment for Sodium bromide ML’s as By-Product.

Now the industry has applied for Renewal of CFO, HWA & BMWA for a period of 1 year i.e. upto 30.06.2018 through Scheme of Green Channel (Auto Renewal System) duly paying the CFO fee Rs. 60,000/- towards CFO fee for 1 year and Rs. 7500/- towards BMW fee for 150 Beds.

The HCE has requested to consider bed strength of 150 beds only (i.e. decrease in the No. of Beds from 250 to 150) duly submitting the copy of letter addressed to the DM & HO, Chittoor District (The Registering Authority) for decreasing the bed strength.

Recommendations:

After detailed discussions on the agenda and RO report, the committee recommended to issue the CFO, HWA & BMWA to the HCE under Scheme of Green Channel for a further period upto 30.06.2018 subject to submission of copy of the letter from the DM&HO, Chittoor District (The Registering Authority) for decrease in the bed strength.

VIJAYAWADA ZONE

7. M/s. Sentini Bioproducts Private Limited, Gandepalli (V), Kanchikacherla (M), Krishna District

M/s. Sentini Bioproducts Private Limited, Krishna District is a Grain based Distillery unit with 4 MW Electricity Generation. The industry earlier obtained CFO of the Board on 12.12.2016 to manufacture Rectified spirit / Extra Neutral Alcohol / Ethanol @ 125 KLD using grain as basic raw material with validity upto 31.01.2022. The industry obtained Environmental Clearance for expansion: F.No. J-11011/110/2016-IA.II(I), dated 07.04.2017 for expansion of Distillery plant from 125 KLPD to 150 KLPD. The industry later obtained CFE of the Board on 16.06.2017 for expansion of Grain based distillery (RS/ENA/Ethanol) from 125 KLPD to 150 KLPD with increase of CO2 (by product) from 93 to 112 TPD.

Now the industry applied for CFO&HWA (After Expansion i.e. for total capacity) of the Board for a period of five years i.e., up to 31.1.2022.

The industry representatives attended the meeting and submitted to the committee that
they have not set up ground water quality monitoring stations by providing piezometers around the project area and also not provided separate storm water drains along the periphery of the site such that the in-plant rain water is collected in collection tank and shall be connected to ETP.

Recommendations:

After detailed discussions on the agenda, RO report and industry submissions, the committee recommended to issue CFO&HWA of the Board to the industry for a period upto 31.1.2022 after the industry submit the commitment letter duly mentioning the time lines to comply with the following conditions:

1. The industry shall comply with Task force directions.
2. The industry shall not discharge domestic waste water outside the premises at any point of time.
3. The industry shall set up ground water quality monitoring stations by providing piezometers around the project area as stipulated within 1 month.
4. The industry shall provide separate storm water drains along the periphery of the site such that the in-plant rain water is collected in collection tank and shall be connected to ETP within 1 month.
5. The industry shall construct metal roads within 6 months.

8. M/s. NCL Industries Limited, Sy. No. 27, 30, 31, 34, 35, 36, 40, Kadimpothavaram (V), Pinapaka (P), G.Konduru (M), Krishna District - Amendment

M/s. NCL Industries Limited, Krishna District has obtained CFO of the Board on 29.10.2016 to manufacture Cement (clinker grinding) with a production capacity of 2954 TPD, for a period valid upto 31.10.2021.

Now the requested to issue an amendment for CFO order for production capacity to be given in terms of Tons per annum (TPA) instead of Tons per day (TPD), as their production consolidated in a year. It is requested for amendment for change of production capacity from 2954 TPD to 1.078 Million tons per annum (365 days working).

The RO: Vijayawada reported that the production capacity for annum may be taken into consideration for 300 days instead of 360 days as there will have shut downs at least for 2 months in a year. Therefore the production capacity in terms of annum may be considered as 0.8862 Million Tons Per Annum (i.e. 300 x 2954 TPD).

Recommendations:

After detailed discussions on the agenda and RO report, the committee recommended to issue Amendment for change in the capacities duly considering the remarks of the RO: Vijayawada for the 300 days of operation as 0.8862 Million Tons Per Annum (i.e. 300 x 2954 TPD).

9. M/s. Andhra Pradesh Capital Regional Development Authority & Capital Area “APCRDA & CA - Interim Government Complex Buildings, Amaravati” Sy. No. 196 (Part), 197 (part), 198 (part), 199 (part), 200 (Part), 204 (part), 205 (part), 206 (part), 207 (part), 208 (part), 209 (part), 214(part) & 216 (part) of Velagapudi Village, Thulluru Mandal, Guntur District - Auto Renewal

M/s. APCRDA & CA - “Interim Government Complex Buildings, Amaravati”, Velagapudi (V), Thulluru (M), Guntur District has earlier obtained CFO&HWA of the Board on 31.10.2016 for a period valid upto 31.08.2017. Now the industry applied for Auto Renewal of CFO&HWA of the Board for a period of 2 years i.e. upto 31.08.2019 duly paying Rs. 3,00,000/- towards CFO Renewal fee and CFE balance fee of Rs. 2,00,544/- for the increased project cost from Rs. 180 Crores to Rs. 514.24 Crores.

The representatives of the APCRDA & CA attended the meeting and submitted to the
committee that they have constructed and commissioned their own STP.

**Recommendations:**
After detailed discussions on the agenda, RO report and representatives submissions, the committee recommended to extend the validity period of the CFO&HWA to the industry under Scheme of Green Channel for a further period upto 31.08.2019 duly the stipulating conditions along with other conditions.

**KURNOOL ZONE**

**10. M/s. Bhaskar Fertilisers Pvt. Ltd., Lolur (V), Singanamala (M), Anantapur District**

M/s. Bhaskar Fertilisers Pvt. Ltd., Anantapur District is a SSP & Granulated NPK Fertilizers manufacturing unit. The industry earlier obtained CFO& HWA of the Board on 01.04.2016 to produce NPK (Sodium, - Phosphorous-Potassium) Fertilisers - 150 MT/day and Single Super Phosphate (SSP) / Granulated Single Super Phosphate (GSSP) - 150 MT/day with validity upto 25.03.2017. Now the industry applied for CFO&HWA Renewal of the Board for a period of five years i.e. from 03/2017 to 03/2022.

The industry representatives attended the meeting and submitted to the committee that flow meters for assessing the water consumption will be provided within a month and road construction will be completed within 6 months.

**Recommendations:**
After detailed discussions on the agenda, RO report and industry submissions, the committee recommended to issue CFO&HWA of the Board with validity upto 25.03.2022 duly stipulating the relevant conditions.

**11. M/s. Ultra Tech Cement Ltd., Bhogasamudram Village, Tadipatri (M), Anapatpuram District**

M/s. Ultra Tech Cement Ltd is a cement unit of Production capacity 9.0 Million TPA with Co-processing of Hazardous & Non – Hazardous waste and also having Captive Thermal Power Plant of capacity 100 MW.

The industry earlier obtained CFO&HWA of the Board on 08.12.2014 with a validity upto 30.09.2016. Subsequently, the industry was issued with amendments to the CFO order on 24.11.2015, 17.12.2015 & 26.03.2016. The Board vide order dated 16.08.2016 has Renewed the CFO through Auto Renewal System for a further period of five years i.e. upto 30.09.2021. The industry obtained CFE of the Board on 14.10.2016 & 03.06.2017 and amendment order on 16.07.2017 to manufacture following products:
