The Member Secretary welcomed the members of the CFO Committee and explained about various provisions of Pollution Control Acts / and procedures adopted by the Board.

The A.P. Pollution Control Board in concurrence with the DIPP, Government of India and Govt. of Andhra Pradesh, on the objective of **Ease of Doing Business** has already taken initiative in this regard by liberalization of the industrial licensing regime by focusing on online processing and technology driven improvements and also implementing the promotional and developmental measures for growth of industrial sector by facilitating the balanced development of industries duly aiming at the national priorities and socio-economic objectives. He also added that the World Bank report on **Ease of Doing Business** has ranked Andhra Pradesh No.2 in the country.

After introductory remarks on the items placed before the CFO Committee, the Committee took up items agenda-wise. The decisions of the CFO Committee on each case are recorded below.
**VISAKHAPATNAM ZONE**

1. **M/s. Oil India Limited (A Govt., of India Enterprises), Loc.9, Exploratory Drilling of 1 well in Thane Lanka Village (TLK - I), Mummidivaram Mandal in NELP - II Block KG-ONN-2004/1 at East Godavari District.**

   The industry is engaged in the Drilling of onshore wells for production of Oil & Gas. Obtained EC from MoE&F vide order No.JL-11011/618/2010-IA II (l), Dt.11.07.2012 for exploratory drilling of 6 wells in East Godavari District for production of Oil & Gas. The industry has obtained CFO& HWA of the Board vide order dated 20.05.2013 valid up to 31.03.2014. The industry has now applied for the renewal of the CFO.

   **Recommendations:**
   After detailed discussions on the agenda, the Committee recommended to renew CFO & HWA for a period upto 30.03.2017 subject to payment of balance consent fee.

2. **M/s. Silkroad Sugar Private Limited., Vakalapudi Village, Kakinada Rural, East Godavari District.**

   Representatives of the industry attended the meeting and informed that they are involved in refining of Raw Sugar (imported from Brazil) and manufacturing Sugar and Captive power generation using imported coal having Sulphur content less than 0.8% and informed that they have applied for the renewal of the CFO. Also requested for name change in the CFO renewal Order from M/s. Silkroad Pvt. Ltd., to M/s. Parry Sugars Refinery India Pvt. Ltd., and enclosed a copy of certification of incorporation from Ministry of Corporate Affairs in this regard.

   **Recommendations:**
   After detailed discussions on the agenda, the Committee recommended to issue CFO & HWA Order for 3 years i.e. 31.03.2019 duly incorporating the change of name after submission of the commitment letter from the industry on the following issues within one week:
   
   a. The industry shall install web camera as per CPCB guidelines by 31.03.2016.
   b. Action plan for development of green belt.

3. **M/s. Hindustan Petroleum Corporation Ltd., IDA, Vakalapudi, Kakinada Rural, East Godavari District.**

   M/s. Hindustan Petroleum Corporation Ltd is involved in the Storage & Handling of Naptha. The committee noted that the unit is not in operation due to lack of demand to Naptha since, 2009.

   **Recommendations:**
   After detailed discussions, the Committee recommended to renew the CFO & HWA to the industry upto 31.10.2020 with relevant conditions.

4. **M/s. Lohita Life Sciences Pvt. Ltd., Plot No. 80-B, JNPC, Parawada, Visakhapatnam District.**

   Representatives of the industry attended the meeting and informed that they are
involved in manufacture of bulk drugs and applied for CFO renewal for 5 years i.e., upto 31.10.2020. The industry has requested to incorporate the thermic fluid heater, in the renewal CFO Order which was installed in the month of November 2015. The committee noted the certain non-compliances of the industry as reported by the RO, Visakhapatnam:

**Recommendations:**
After detailed discussions on the agenda, the Committee recommended to issue CFO & HWA order upto 31.10.2020, after submission of the commitment letter from the industry on the following issues within one week:

a) Commitment for construction of collection tanks for HTDS & LTDS effluents at production blocks and construction of shed for storage of Hazardous Waste within three months time, and installation of online pH meter and VOC meter.

b) Action plan for 33% of Greenbelt development which includes the greenbelt developed by the pharma city as common greenbelt.

c) Action plan for disposal Hazardous Waste i.e., Organic waste 20 Tons and of spent carbon 1.5 tons.

d) The industry shall submit the Bank guarantee for Rs.4 Lakh by 30.04.2016.

Representatives of the industry attended the meeting and informed that they are involved in manufacture of bulk drugs and applied for CFO (Expansion). Also informed that they obtained CFO & HWA of the Board on 03.08.2015 for manufacturing 25 no. of products with a maximum production capacity 74.06 Kg/day and is the CFO & HWA order is valid up to 30.04.2018. The committee noted the following certain non-compliances of the industry as reported by the RO:

**Recommendations:**
After detailed discussions on the agenda, the Committee recommended to issue CFO & HWA (after expansion) to the industry upto 31.12.2016 with relevant conditions:

a. The industry shall install online pH meters to the remaining 2 scrubbers within a one month.

b. The industry shall install data logger to VOC meter within a one month.

c. The industry shall install web camera to the flow meters by 31.03.2016.

d. The industry shall submit compliance report on the conditions mentioned in the consent order every 6 months to the Regional Office/Zonal Office.

6. Dr. Reddy Laboratories Ltd., - IDA, Pydibheemavaram (V), Ranastalam (M), Srikakulam District.

Representatives of Dr. Reddy Laboratories Ltd attended the meeting and informed that they have acquired all the assets and liabilities of M/s. Ecologic Chemicals Ltd., Ranastalam, Srikakulam District. Also informed that the merger was incorporated in the Central Excise, Sales Tax and Electricity Departments after enclosing the sale deed. Now the industry requested for merging of both the units into a single unit and to issue combined consent Order in the name and style Dr. Reddy Laboratories Ltd CTO-IV.

**Recommendations:**
After detailed discussions on the agenda, the Committee considered the request of the industry and recommended to issue CFO & HWA order duly merging the both the units into a single unit and to issue combined consent Order in the name and style Dr. Reddy Laboratories Ltd CTO-IV in line with the existing CFO.
The industry shall file Form No. MGT-14 under the Companies Act, 2013 and 1956 authorizing the merger of the two units into a single entity.

7. M/s. Saraca Laboratories Limited, Boyapalem (V), Ranasthalam (M), Srikakulam District.

Representatives of the industry attended the meeting and informed that they are involved in manufacture of bulk drugs and obtained the CFO on 13.03.2015 with a validity period upto 30.12.2017. Also informed that the industry signed a Memorandum of Understanding (MOU) with M/s. Andhra Organics Limited, IDA, Pydibheemavaram (V), Ranasthalam (M), Srikakulam District and requested to amend the disposal point. The committee noted that the in the Environmental Clearance Order dated 27.09.2007, the industry was accorded permission for marine disposal of treated through dedicated pipeline.

Recommendations:
After detailed discussions on the agenda, the Committee recommended to obtain amendment to Environmental Clearance from the MoEF&CC, GoI, for discharging the effluents through marine outfall by connecting though the pipeline of with M/s. Andhra Organics Limited.

Representatives of the industry attended the meeting and informed that they are involved in manufacture of bulk drugs and applied for CFO renewal for 3 years and paid fee for a period upto 31.12.2018. Also informed that they have Obtained CFE for Change of Product Mix vide Order dated 09.02.2016 and requested to issue CFO for the Change of Product Mix. The committee noted certain non-compliances as reported by the RO, Visakhapatnam.

Recommendations:
After detailed discussions on the agenda, the Committee recommended to issue CFO & HWA to the industry for the Change of Product Mix upto 31.12.2016 after the industry submit commitment letter within one week duly mentioning the time period to comply with the following:

- To construct rainwater runoff tank for collection and storage of first flush storm water.
- To cover the HTDS and LTDS storage tanks and the vents shall be connected to the scrubber to avoid smell nuisance at effluent storage area.
- Action plan for development of greenbelt in all the vacant places with in the premises.
- To store the solvents in bulk solvent storage tanks.
- To connect centrifuge vents to scrubber.

Representatives of the industry attended the meeting and informed that they are involved manufacturing of Bulk drugs (Fermentation process) and has obtained CFO & HWA of the Board vide order dated 03.10.2013 valid up to 31.12.2015 and permitted to manufacture 7 No. of products and has now applied for renewal of CFO. Also informed that manufacturing process involves fermentation process in which all the raw materials
are food grade requested to permit process residue (Biomass waste) disposal option as manure. The industry requested the board to incorporate the gardening water of 5 KLD in water consumption and 1.5 TPH oil fired boiler in CFO order.

Recommendations:
After detailed discussions on the agenda, the Committee recommended to issue CFO & HWA order upto 31.12.2020 with relevant conditions.

The committee recommended to obtain CFE for 1.5 TPH oil fired boiler, additional water consumption of 5 KLD for gardening and process residue (Biomass waste) to disposal option as manure.

Representatives of the industry attended the meeting and informed that they are involved in Port activity (Cargo handling) operating a WQ-6 berth in the inner harbor of M/s. Visakhapatnam Port Trust. Also informed that they are handling Steel, Granite and Pet Coke by conventional method. The committee noted that the facility is not filing water cess returns. The industry submitted a letter stating that the Sewage Treated water (SEW) is supplied by the Visakhapatnam Port Trust for the PPT operators and the charges @ Rs.120/-/(one hundred and twenty only) is paid as per the Order given by the VPT.

Recommendations:
After detailed discussions on the agenda, the Committee recommended to renew CFO & HWA to the industry upto 31.01.2017.

M/s. Rashtriya Ispat Nigam Limited (A Government of India Under taking) is operating an integrated steel plant in the name of M/s. Visakhapatnam Steel Plant and producing the following:

<table>

The industry obtained CFO & HWA of the Board for the above capacities which is valid up to 30.04.2019. The industry has now applied for CFO fresh for generation Electricity 120 MW by utilizing the waste heat of lean blast furnace gas generated from the operations of blast furnaces.

Recommendations:
After detailed discussions on the agenda, the Committee recommended to issue CFO & HWA order upto 31.12.2016 with relevant conditions.

Representatives of the industry attended the meeting and informed that they are involved in manufacture of bulk drugs and applied for CFO (Change Of Product Mix) for 1 year i.e., upto 31.01.2017. The committee noted certain non - compliances of the industry as reported by the RO, Visakhapatnam.
Recommendations:
After detailed discussions on the agenda, the Committee recommended to issue CFO & HWA order upto 31.01.2017 for Change Of Product Mix after the industry submit commitment letter within one week duly mentioning the time period to comply with the following:

a. To install VOC meter within one month time.
b. Action plan for disposal of 50 tons of hazardous waste stored in open shed to TSDF.

The industry shall obtain CFE for new products and 3 Nos of oil fired generators.

M/s. Kakinada Sea Port Limited is involved in Port activity (Cargo handling) and is handling different types of Cargo, Iron Ore, Coal, Alumina and Bauxite etc. obtained CFO with validity period upto 30.09.2016. The industry has paid the consent fee and requested for extension of the CFO validity upto 30.09.2017. The committee noted the Circular dated 23.07.2015 issued by the Board on the increase in the validity periods.

Recommendations:
After detailed discussions on the agenda, the Committee recommended to extend the CFO validity period upto 30.09.2017.

14. M/s. Biocon Limited, Plot No:2, Road No. 21, JN Pharma City, Parawada, Visakhapatnam District.

Representatives of the industry attended the meeting and informed that they are involved in manufacture of bulk drugs and informed that their CFO application for renewal of the existing products was cleared in the CFO committee meeting held on 29.01.2016. They also informed that they obtained CFE for Change of Product Mix vide Order dated 09.02.2016 and requested to issue CFO for the products for which they have obtained CFE instead of the existing products.

Recommendations:
After detailed discussions on the agenda, the Committee recommended to issue CFO & HWA order upto 31.12.2016 for Change of Product Mix as per the CFE Order dt 09.02.2016.

15. M/s. Sri Balaji Industries, Plot No. 156/E, APIIC, Growth Center, Bobbili (V) & (M), Vizianagaram District.

M/s. Sri Balaji Industries is engaged in the Recovery of spent solvents. The industry obtained CFE Expansion of the Board vide Order dt 16/04/2015 for recover of IPA, Acetone Dimethyl Formamide, Dimethyl Sulfoxide, Toulene, n- Butanol Ethyl acetate, Terahydrofuran, Acetonitrile, n-Hexane, Cyclo-Hexane & Methylene Di-Chlorie from Distillation of Spent /Mixed Spent Solvents @ 50.5 KLD and Recovery of Dilute Caustic Solution from IPA, THF, MTHF recovery system 3.0 KLD. The industry has applied for renewal of CFO for a period of five years i.e. up to 31/03/2021. The committee noted that the industry has stored Hazardous waste i.e. 3 Tons of Distillation Residue and 1.5 tons of FE salts beyond 90 Days.

Recommendations:
After detailed discussions on the agenda, the Committee recommended to defer the issue to the next meeting as the representative of the industry has not attended the meeting.

M/s. GMR Energy Ltd., is a Natural Gas based Barge Mounted Power Plant located at Kakinada Port, Kakinada, East Godavari District. The total capacity of the Power plant is 220MW. The industry installed 4 x 46MW Gas Turbines and 53.5MW WHRB totaling installed capacity to 237.5MW with operating capacity of 220MW. The industry has applied for CFO renewal for 1 year i.e. upto 30.04.2017. The committee noted that the power station was not in operation since March, 2013 due to non availability of Natural Gas.

Recommendations:
After detailed discussions on the agenda, the Committee recommended to issue CFO & HWA order upto i.e., upto 30.04.2017.

VIJAYAWADA ZONE

17. M/s. Hindustan Petroleum Corporation Ltd., (LPG Storage & Bottling), IDA, Kondapalli(V), Ibrahimpatnam (M), Krishna District.

The industry is a LPG Storage & Bottling and applied for renewal of CFO & HWA. The committee noted that the facility has replaced the existing DG sets with new DG sets. Developed green belt in 2 acres.

Recommendations:
After detailed discussions on the agenda, the Committee recommended to renew CFO & HWA to the industry upto 31.01.2021. It was recommended to issue consent for the existing DG sets (500 KVA+250 KVA+ 75 KVA) only, with the following conditions along with other conditions.

1. The industry shall immediately obtain amendment to CFE and then CFO for change of DG sets installed.
2. The industry shall further develop green belt in an area of 2 acres to achieve 4 acres of greenbelt. The total greenbelt shall be 33% which includes the greenbelt developed as common greenbelt.
3. The industry shall submit compliance report on the conditions mentioned in the consent order every 6 months to the Regional Office/Zonal Office.

18. M/s Crux Biotech India Private Ltd., S.Nos.529 (p), 530, 531 9p), 532 (p), 536 (p), 557 (p), 560 (p), 654 (p), Peddavaram (v), Nandigama Mandal, Krishna District.

Representatives of the industry attended the meeting and informed that they are operating grain based industry; requested the Board to link up the Continuous online stack monitoring system data with the server of APPCB and the linkage will be completed within one week; pucca internal roads will be completed within six months; piezo meters will be provided around the project area within 2 months for monitoring of ground water table and quality.

Recommendations:
After detailed discussions on the agenda, the Committee recommended to renew CFO & HWA to the industry upto 31.01.2021 with the following conditions along with other conditions.

1. The industry shall link up the Continuous online stack monitoring system provided to 25 TPH boiler with the server of APPCB within one week and report the compliance to Regional office Vijayawada.
2. The industry shall provide pucca internal roads to control fugitive due to vehicular movement within Six months.
3. The industry shall provide Piezometers around the project area within 2 months for monitoring of ground water table and quality.
4. The industry shall submit compliance report on the conditions mentioned in the consent order every 6 months to the Regional Office/Zonal Office.

19. M/s. Lanco Kondapalli Power Ltd (Formerly M/s. Lanco Kondapalli Power Private Ltd), IDA, Kondapalli (V), Ibrahimpatnam (M), Krishna District.

M/s. Lanco Kondapalli Power Ltd (Formerly M/s. Lanco Kondapalli Power Private Ltd) is a Gas based Thermal Power Plant and it is generating Electrical power in 3 stages Stage-I (368.14 MW), Stage-II (385 MW) & Stage –III (2x385 MW). All the three stages have obtained CFOs separately and the validity of three consents are valid up to 31.01.2017. The industry requested to issue combined CFO for the all the three stages.

Recommendations:
After detailed discussions on the agenda, the Committee recommended to issue combined CFO order upto 31.01.2017 as requested by the industry as the industry is having one balance sheet and all the 3 stages are exiting in one premises.

20. M/s. Green Mining Co., (Quartz Mining), Sy. No. 488, Orupalli Rajupalem (V), Sydapuram (M), SPSR Nellore Dist.

It is a open cast Quartz mining unit and earlier obtained CFE & CFO of the Board. Now, the applicant applied for renewal of CFO. The Zonal Office: Vijayawada returned the CFO application for want of EC. The applicant submitted a representation stating that the extent of mining area is less than 5 hectares and as per EIA notification, 2006 EC is not required for mining of major minerals. Quartz is categorized under major minerals and requested to consider the renewal of CFO.

Recommendations:
The committee noted that the applicant has to obtain EC as per the EIA notification and recommended to obtain EC for issue of CFO.

21. M/s. Sri Balaji Mines, (Quartz Mining), Sy. No. 488, Orupalli Rajupalem (V), Sydapuram (M), SPSR Nellore District.

It is a open cast Quartz mining unit and earlier obtained CFE & CFO of the Board. Now, the applicant applied for renewal of CFO. The Zonal Office: Vijayawada returned the CFO application for want of EC. The applicant submitted a representation stating that the extent of mining area is less than 5 hectares and as per EIA notification, 2006 EC is not required for mining of major minerals. Quartz is categorized under major minerals and requested to consider the renewal of CFO.

Recommendations:
The committee noted that the applicant has to obtain EC as per the EIA notification and recommended to obtain EC for issue of CFO.

22. M/s. N. Rami Reddy (Open cast mining), Sy. No. 488, Orupalli Rajupalem (V), Sydapuram (M), SPSR Nellore District

It is a open cast Quartz mining unit and earlier obtained CFE & CFO of the Board. Now, the applicant applied for renewal of CFO. The Zonal Office: Vijayawada returned the CFO application for want of EC. The applicant submitted a representation stating that the extent
of mining area is less than 5 hectares and as per EIA notification, 2006 EC is not required for mining of major minerals. Quartz is categorized under major minerals and requested to consider the renewal of CFO.

**Recommendations:**
The committee noted that the applicant has to obtain EC as per the EIA notification and recommended to obtain EC for issue of CFO.

23. **M/s. NCC Power Projects Limited (formerly M/s. Nelcast Energy Corporation Limited), Near Painampuram, Varakavipudi and Sivampuram Villages, Muthukur (M), SPSR Nellore District.**

Representatives of the industry attended the meeting and made a presentation on the progress of the project. They informed that it is a super critical coal based Thermal power plant and proposed to start the plant in April 2016. They also informed that they have completed the erection of boiler-1 with a stack height of 275 mtrs. The installation of ESP-1 for Boiler-1 has been completed and 90% of works for installation ESP-2 has been completed; 80% of ETP civil works are completed and all the equipment of ETP received at site and the same will be commissioned by 28.04.2016; STP will be completed by April, 2016; HDPE lining work for Ash pond is under progress; completed plantation in 170 Acres.

**Recommendations:**
After detailed discussions on the agenda, the Committee recommended to issue CFO & HWA to the industry for a period of one year i.e., up to 28.02.2017 with the following conditions along with other relevant conditions.

1. The industry shall complete the construction and commissioning of Effluent Treatment Plant (ETP) by 28.04.2016.
2. The industry shall complete the construction and commissioning of Sewage Treatment Plant (STP) by April, 2016.
3. The industry shall complete the installation of Coal crusher and its pollution control equipment by 15.03.2016 as committed by the industry vide its letter dt. 20.02.2016.
4. Water sprinkling system at coal yard shall be commissioned by 1st week of March, 2016.
5. The industry shall complete the closed pipe conveyor for coal transportation by March, 2016.
6. The industry shall complete dust suppression and dust extraction system at various dust emission sources by 15.03.2016 as committed by the industry vide its letter dated 20.02.2016.
7. The industry shall construct and complete the ash pond and HDPE lining to the ash pond phase-I by April 2016 to control ground water contamination.
8. The industry shall complete the ash slurry conveying system (HCSD- High Concentrated Slurry System) by March 2016.
9. The industry shall submit compliance report on the conditions mentioned in the consent order every 6 months to the Regional Office/Zonal Office.

24. **M/s. Ever Health Life Sciences Private Ltd., Plot No: 408 & 419, IGC, Gundlapalli(V), Maddipadu(M), Prakasam District.**

The industry is involved in manufacturing of Bulk Drugs. The Board received a compliant regarding pollution caused due to this industry. The industry was reviewed in the Task force meeting held on 18.02.2016 and the committee recommended to issue directions to the industry.
The industry attended the CFO meeting and explained that the industry is segregating the effluents into LTDS and HTDS effluents; Operating the MEE along with stripper and ATFD regularly; achieving ZLD constructed platform for storage of drums and solid waste; disposed 96.42 tons of hazardous waste to TSDF.

**Recommendations:**

After detailed discussions on the agenda, the Committee recommended to issue CFO & HWA to the industry for a period up to 31.01.2017 with the following conditions along with other conditions.

1. The industry shall segregate effluents into HTDS & LTDS streams and treat them separately. The HTDS & LTDS effluents shall be stored in above ground level collection tanks separately.
2. The industry shall dismantle the 15 KL capacity below ground level tank and provide above ground level collection tanks or provide tank in tank system for effluent collections system.
3. The industry shall regularly operate the ETP with primary and secondary treatment followed by RO system for treatment of LTDS effluents and stripper, MEE & ATFD for treatment of HTDS effluents and shall maintain zero liquid discharge system.
4. The industry shall not discharge any waste water outside the factory premises.
5. There shall not be any spillages of chemicals / effluents on the ground. The drums containing chemicals / solvents shall be stored under a roof on elevated platform with a provision to collect leakages / spillages in the collection pit. In no case drums shall be stored on the naked open ground.
6. The industry shall provide dyke walls for above ground chemical storage tanks
7. The industry shall provide permanent pipelines for transfer of chemicals / effluents and shall not use flexible pipes for transfer of chemicals / effluents.
8. The industry shall install double stage scrubbers to control process emissions at all emission sources and all scrubbers shall be provided with online pH monitoring system.
9. Thick greenbelt shall be maintained by the industry covering an area of 33% of the total area and shall maintain good housekeeping in the premises.
10. The industry shall submit compliance report on the conditions mentioned in the consent order every 6 months to the Regional Office/Zonal Office.

The industry is Spong Iron manufacturing unit. The representative of the industry attended the meeting and explained that the connection of online stack monitoring system to the website of APPCB will be completed in due course; requested to give some time to install CAAQM system; optimizing the ESP; PLC inter locking system has been provided for both the kilns with respect to Emergency cap open/ close condition; disposing the dolochar to brick units; stabilizing the internal roads and provided 85 permanent water sprinklers.

**Recommendations:**

After detailed discussions on the agenda, the Committee recommended to renew CFO & HWA to the industry for a period of one year upto 28.02.2017 with the following conditions along with other conditions as the applicant has not given specific assurance on some of the issues. It will be reviewed after the period of CFO.

1. The industry shall install and commission CAAQM station within three months in consultation with RO Kurnool and connect the same to APPCB website.
2. The industry shall provide closed sheds for storage of Iron ore, Dolomite, dolochar, char & Iron ore fines to control fugitive emissions and there shall not be any open
storage of raw materials, dolochar, Char& Iron ore fines.

3. The industry shall dispose the dolochar, Iron ore fines stored in the premises on daily basis and report the disposable details to the RO, Kurnool on monthly basis.

4. The industry shall submit Bank Guarantee of Rs.3 Lakhs towards compliance of Board directions dt.21.04.2015 in two installments in one year period and the first installment of BG of Rs. 1.5 Lakhs shall be submitted by the end of March, 2016 and the second installment shall be submitted in the first week of August, 2016 as committed by the industry vide letter dated. 20.02.2016.

5. The industry shall submit compliance report on the conditions mentioned in the consent order every 6 months to the Regional Office/Zonal Office.

HWM APPLICATIONS

The representative of M/s. Crop Life India attended the meeting and informed that M/s. Crop Life India has proposed to work on a project on responsible use of pesticides and container management by collecting the empty crop protection product containers/pouches from farmers and to ensure their proper disposal. They proposed to implement the pilot project in two villages (Tatiparthi and Edida) in East Godavari District, A.P.

The representative also informed they will collect the pesticide containers / pouches from the villagers and directly load the containers on the same day into the truck provided by M/s. Coastal Waste Management TSDF, Parawada and will be transported to M/s. Coastal Waste Management, TSDF, Parawada for treatment & final disposal.

Recommendations:

After detailed discussions on the agenda, the Committee recommended to issue authorization for a period of one year for collection of Discarded containers (empty Pesticide containers)/Barrels/Liners contaminated with hazardous waste/chemicals) - 150 TPA with the following conditions along with other relevant conditions.

1. M/s. Crop Life India, shall obtain membership from M/s. Coastal Waste Management TSDF, Parawada for transportation, treatment and final disposal of empty containers / pouches.

2. M/s. Crop Life India, shall collect empty containers / pouches for the formers of Tatiparthi and Edida villages in East Godavari District, A.P.

3. There shall not be any collection centre or storage facility in the villages. The collected empty containers / pouches shall be directly loaded into the truck provided by M/s.Costal Waste Management, TSDF, Parawada and shall be transported on the same day to M/s. Coastal Waste Management, TSDF, Parawada for treatment & final disposal.
