| 12         | Sri S. Bhaskar Reddy, 3.175 Ha Lime Stone Slabs (Black), Sy. No 333/P, Palakur (V), Banaganapalli (M), Kurnool District | The committee noted from the RO report that:  
a. The project authority has not constructed the retention wall, garland drain around the dump for diversion of rain water and also not routed the garland drain to the siltation pond.  
b. The project authority has submitted undertaking letter on 04.09.2019 stating that, they will i) construct retention wall for mineral waste dump ii) garland drain and siltation pond for the working pit to arrest the flow of silt and sediments iii) construct the septic tank for the domestic effluents within three months. iv) develop green belt all along the boundary of the mine in this monsoon  
c. The project authority has paid fee for 5 years i.e., up to 31.08.2023.  
The committee after detailed discussion on the agenda recommended to issue CFO for expansion to the mine upto 31.08.2023 for Mining of Utilization of lime kankar from the existing Lime stone Slabs (Black) dump -1.96,896 m³/annum with a condition to provide retention wall, garland drain, siltation pond within 30 days and to develop green belt along the boundary of the mine lease in this monsoon. The committee also recommended to direct the EE, RO, Anantapur to ensure compliance of the above conditions and refer to Task Force in case of non-compliance. |
| 13         | Mrs. D Krishna Reddy, Sy No. 284/1, 284/2 & 283/1, Valasala (V), Chinnna Maikapuram Gramapanachayath, Dhone (M), Kurnool District | The committee noted from the RO report that  
a. The unit has not provided Cladding to the dust conveyor with GI sheet, Elevated dust bunker for collection of dust and Construction of the metallised roads within the premises  
b. The crushing unit has submitted undertaking letter on 03.09.2019 stating that, they will provide (i) cladding to the dust conveyor with GI sheet (ii) elevated dust bunker for collection of dust (iii) construction of the metallised roads within the premises (iv) development of 5mtr width of green belt all along the boundary of the unit within 3 months time.  
The committee after detailed discussion on the agenda recommended to issue CFO to the industry upto 31.08.2029 with the following conditions:  
a. The crusher shall provide cladding to the dust conveyor with GI sheet  
b. The crusher shall provide elevated dust bunker for collection of dust  
c. The crusher shall construct metallised roads within the premises  
d. Develop 5mtr width of green belt all along the boundary of the unit within 3 months time.  
The committee also recommended to direct the EE, RO, Kurnool to ensure compliance of the above conditions and refer to Task Force in case of non-compliance. |
| 14         | D Krishna Reddy, 4.205 Ha Dolomite, White shale, Serpentine & Calcite Mine of Sy No 281/3 & 282(P) of Valasala (V), Dhone(M), Kurnool District | The committee noted from the RO report that:  
1. The MoEF, Gol, New Delhi have clarified regarding applicability of EIA Notification, 2006 on mining leases of 5 hectare (major minerals) and mining leases of minor minerals which have been operating before 14.09.2006, in the Circular No. J-NC-J-15012/35/2007-IA-I(M)-Part, dated 2nd July, 2007 that  
"It is clarified that all such mining projects which did not require environmental clearance under the EIA Notification, 1994 would continue to operate without obtaining environmental clearance till the mining lease falls due for renewal. If there is no increase in lease area and / or there is no enhancement of production. In the event of any increase in lease area and or production, such projects would need to obtain prior environmental clearance. Further all such projects which have been operating without any environmental clearance would obtain environmental clearance at the time of their lease renewal even if there is no increase either in terms of lease area or production"  
2. The clarification issued in the MoEF's Circular dated 2nd July 2007, is applicable to those said mine leases of major and minor minerals with an extent of area less than 5.0 Ha, which were granted and existing prior to 18th May 2012 i.e., issue of MoEF Office Memorandum, for continuing the mining operation.
